SUPERINTENDENTS AND TREASURERS OF PAPER

CURRENCY OFFICES.

Recording a letter from the Head Commissioner of Paper
Currency stating that he sees no reason for prohibiting----from lending
money to persons not officially connected with them.

I am not aware whether there are any special reasons for which the Government of Madras wish art. 23 of their Rules regulating the personal conduct of Government servants to be applied to the Superintendent and Treasurer of the Madras Paper Currency Department. I at present see no reason to prohibit them from lending money to persons not officially connected with the the currency. The Treasurer may occasionally be in the case of the Native Banker. It serves the purposes of the law.

very well to place a respectable Native Bank
in the position of Currency Treasurer and
I should be sorry to leave the field of selection so
limited as to exclude these persons.

Sir,
Your most obedient servant,

From para 5(c) of G.O. N° 6 Revenue d/9-1-96 read
G.O. N° 160 Pubd/30-1-96
it will be seen that the Com.
of Paper Currency, Madras, states
that the Supdt and the Treas.
-urer of the Paper Currency
Office might, with the ap-
proval of the Govt of India,
be subjected to article 23
of the Govt. Servants' Manual.

In letter N° 137 Finl d/2/3/96 the Controller General,
Calcutta, was requested
to obtain the necessary
sanction to extend article
23 & 24 to the officers re-
ferred to above.

In reply the Hds Comr. of
Paper Currency states that
so much of the rules cont.
in Home Dept. Res. recorded
in G.O. N° 375 Pubd/7th
April 1888, as it was thought
necessary to apply to officers
in Account Offices, was
included in Article 1657,
Civil Act Code Vol II was
by Art 1657 made applicable
to

Art 1657 "all gazetted officers are
inhibited under pain of dismissal from
taking loans from, or otherwise placing
themselves under pecuniary obligations to,
persons subject to their official
authority"

Art 1687 "The rule in Art 1657 applies
to non-gazetted officers also, with this
difference that it may be relaxed
in exceptional cases at the discretion
of the Ad. of the office subject to the
control of the Local Govt."

non-fazelted officers.
He further remarks that he
has no ^{special} reason for prohibiting
these officers from lending money
to persons not officially connected
with them. The Currency Treasurer
may sometimes be a Native
Banker, as in the Punjab Office,
and such an arrangement
which serves the purpose
of the Govt of India sufficiently
well would be impossible
if the field of operation
is limited as to exclude
such persons of this kind.

Application of Art. 22

It is submitted that
under the circumstances
the prohibition should not
be pressed in the case
of the officers mentioned
and that this ^{reply} may
be recorded.
