No. 280

OFFICE OF SURGEON-GENERAL

WITH THE GOVERNMENT OF MADRAS,

Mdras, 8th April 1896.

From

SURGEON-MAJOR-GENERAL G. SIBTHORPE, F.R.C.P.I.,

SURGEON-GENERAL WITH THE

GOVERNMENT OF MADRAS,

To

THE HON'BLE THE CHIEF SECRETARY TO GOVERNMENT,

Public DEPARTMENT.

SIR,

With reference to G.O. No. 329, Public, dated the 9 March 1896, I have the honor to state that owing to the inability of the Government of India to spare substitutes, the following medical officers who had applied for leave were informed by me last month that no arrangements could be made for their relief until May next and that they should accordingly renew their applications in April.

since granted (1) Surgeon Major D. F. Dymott, Surgeon 2nd District, Madras.
and (2) do do F. C. Reeves, District Medical and Sanitary Officer Madras

do (3) do do A. J. O'Hara do Buddapah
do (4) do do J. C. Marsden do South Arcot

do (5) do do A. B. Tanjina do Tirunelveli

do (6) Surgeon Captain G. E. Gifford, Resident Surgeon General Hospital
do (7) do do Col. Laet Palk, Superintendent Lunatic Asylum Madras

2. As these applications will now be submitted, it becomes necessary that steps should be taken in time to arrange for the impending vacancies.

3. In addition to the above, Government is aware that owing to the departure of Brigade Surgeon Lieutenant Colonel H. J. Haylett on sick leave and the consequent arrangements.

C. S. S.

Cocanada, which is one of the Civil Stations reserved for a Commissioned Medical Officer, has to be placed in temporary charge of an Assistant Surgeon and as Surgeon Major A. St. C. Barruthers is most likely to be selected by the Government of India for the appointment of Medical Store-keeper to Government, Madras Command, in succession to Surgeon Lieutenant Colonel Dobie, South Canara will soon fall vacant, so that nine Officers are required to fill vacancies in the Civil Department for which arrangements will have now to be made.

4. It will be seen from para 2 of my letter No. 138 of the 17th February 1896 that the Principal Medical Officer, Madras Command, has informed me that he expects to be able to place four Officers at the disposal of the Civil Department in May next on the arrival of the seven Officers who have recently passed out of Netley. As these Officers have started in the "Britania" and are expected to be here about the end of April and as three other young Officers who are now on duty with Police (Civil) in Burma on Hill Expeditions are also likely to revert to military duty sometime this month, the military Department ought to be in a position to spare the number of Officers we require early in May next.

5. The following Officers now serving in the military Department have applied for Civil employment and I have the honor to request that Government will be pleased to obtain the services of as many of them

as

as can be spared from military duty to meet civil requirements.

Surgeon Captain E. Hasell Wright
Surgeon Captain H. J. Pridmore
Surgeon Captain R. K. Mitter
Surgeon Captain J. L. Macrae
Surgeon Captain A. Johnston
Surgeon Major R. Ross
Surgeon Captain J. Bidie

I have the honor to be,

Sir,

Your most obedient Servant,
