To Surgeon Major C. Mallins, acting Deputy Sanitary Commissioner, Madras, who will be relieved by Surgeon Major W. B. Bannerman on or about the 15. April 1896, has expressed a desire to revert to his own appointment in the Hyderabad contingent. I have the honor to request that the Government of India may be addressed with a view to the services of either Surgeon Captain E. H. Wright or Surgeon Captain C. A. Johnston, who are now serving in the Hyderabad Contingent, being replaced at the disposal of the Madras Government for an acting civil appointment.

2. Government is aware that, for want of substitutes, it has become necessary to temporarily stop the grant of leave in the Civil Department except on medical certificate. If either of the officers mentioned above can be spared by the Government of India, he will be available to relieve Surgeon Majors O'Hara, Reeves or Dymott, who urgently require leave.

3. At present the actual number of Indian Medical Officers of the Madras establishment serving in the Hyderabad Contingent is 9 or one less than the authorized allotment, but

Bengal Officer is now, and has been for years, employed with the Force and as he likes the service and is not likely to be removed, the reversion of Surgeon Major Mallins will render one of the Madras Men Supernumerary, who can then be spared for civil duty in this Presidency.

I have the honor to be,

Sir,

Your most obedient Servant,
