PUBLIC DEPARTMENT.

READ—the following paper :—

From Colonel M. J. KING-HARMAN, Deputy Secretary to the Government of India, Military Department, to the Chief Secretary to the Government of Madras, dated Simla, the 16th April 1896, No. 1033-B.

With reference to Military Department letter, No. 908-B, dated the 23rd March 1896, I am directed to state that, owing to the delay in receiving applications of Volunteer Corps for allotments from the sum of Rs. 30,000 provided in the current year's estimates for grants for volunteer buildings, the orders for the distribution of that sum could not be issued until near the end of 1895-96. I am to invite attention to the instructions conveyed in Military Department letter, No. 2858-B, dated the 7th September 1893, asking that applications for grants from the provision made in the estimates for volunteer buildings should be submitted to the Government of India before the 1st January, and to explain that it is necessary that the applications should be considered early in February in order that orders may be issued in time to allow the allotments being drawn as soon as possible after the 1st April following. I am to request that the applications of Volunteer Corps may be submitted in future punctually by the 1st January. Any applications not received when the distribution of the grant is made by the Government of India early in February cannot be considered.

2. I am also to request that the applications submitted may be accompanied by a tabular statement in the form attached; and in cases where grants are asked for to provide Sergeant Instructors' quarters, with a certificate from the Commanding Officer that he understands that any grant given for the purpose will involve loss of house-rent due to the Instructor (see paragraph 523, Army Regulations, India, Vol. IX., Provisional Issue, 1896).
