SURGEON-GENERAL WITH THE

To

THE HONOURABLE THE CHIEF SECRETARY TO GOVERNMENT,

the DEPARTMENT.

SIR,

I have the honour to solicit the sanction of Government for the preparation of an estimate by the Consulting Architect to Government for certain additions—lift-up lavatory basins and fittings—required for the bath rooms and latrines of the additional room in the Central block of the Government Lying-in-Hospital, Madras.

2. Some months ago, the Consulting Architect thought that he would be able to put in these fittings without further application to Government, as there would be savings on the estimate for the building. This is apparently now not feasible, and as the additions are very necessary it is hoped that early sanction may be given for the preparation of the required estimate.

to complete the work, as he informs me it will be over 500 rupees.

Your most Obedient Servant.
