LETTER—from

THE CHIEF SECRETARY TO THE GOVERNMENT OF
FORT ST. GEORGE,

To

THE SECRETARY TO THE GOVERNMENT OF INDIA,
HOME DEPARTMENT (MEDICAL).

SIR,

With reference to the marginally-noted correspondence regarding the grant of an increased salary to the Matron Superintendent and the appointment of an Assistant Matron Superintendent in the combined General and Women and Children's Hospital at Madras, I am directed to forward the accompanying proposition statement, showing the financial results of the reorganization effected in the non-gazetted staff of this institution.

From this Government to the Government of India.

Letter, No. 440, dated 31st May 1895.
" " 557 " 6th July 1895.
" " 137 " 28th January 1896.
Telegram, No. 60, dated 24th February 1896.
" " 215 " 2nd May 1896.

From the Government of India to this Government.

Letter, No. 869, dated 2nd December 1895.
Telegram, No. 138, dated 18th February 1896.
Letter, No. 327, dated 17th April 1896.

2. The average cost of the proposed scale, including exchange compensation allowance, will be about Rs. 70,600 per annum, against a provision of Rs. 74,600 in the sanctioned estimates of the current year.

3. The net annual increase is shown to be Rs. 878 per mensem and is made up of the following items:—

	RS.
(i) Increased pay and allowances of the Matron Superintendent ..	87
(ii) Pay and allowances of the new Assistant Matron Superintendent ..	317
(iii) Nursing staff ..	392
(iv) Ward attendants (including pupils) ..	497
Total ..	1,293

Deduct savings under—

(v) Subordinate medical staff ..	412
(vi) Other establishments ..	3
Total ..	415
Net increased cost ..	878

4. (a) The savings under (v) *Subordinate Medical Staff* are due to the transfer of the Military Assistant Surgeon attached to the late Women and Children's Hospital to the Civil Municipal hospital at Chicacole.

(b) Of the increase of Rs. 497 shown under (iv) *Ward Attendants*, the greater portion (about Rs. 300) is not real, as the expenditure hitherto incurred on *hiring extra temporary attendants* and charged to *Contingencies*, &c., has necessarily been excluded from the present scale of the proposition statement. The entertainment of such temporary establishment has been strictly forbidden, and a scale of permanent establishment laid down, proportionate to the requirements of the combined institution.

(c) The grounds for strengthening (iii) the Nursing staff have also been carefully considered, * and His Excellency the Governor in Council is convinced that the proposed scale is by no means adequate for the largest hospital in this

* G.O., No. 304, dated 28th February 1896.

(Copies enclosed.)

Presidency, where accommodation is available for 641 beds, but where only 500 are allowed, mainly owing to financial considerations, the full complement of five hundred patients may be accommodated.

5. (a) The cost of the Lady Wenlock Nursing Institute (Rs. 320 per mensem) is not included in the proposition statement now forwarded, as it is to be entirely self-supporting and independent, as already explained in my letter, No. 137, Public, dated 28th January 1896.

† (i) Special lady probationers and special probationary nurses.

G.O., No. 839, dated 9th October 1895.

(ii) Probationary nurses and attendants to be trained for local bodies, Lady Dufferin's Fund Committee, &c.

G.O., No. , dated 2 May 1896.

(Copies enclosed.)

(b) Nor does the proposition statement include the cost of certain other schemes for training probationary nurses and attendants who are to defray their own expenses in full, but whose services will occasionally be utilised at the hospital.

6. The Government of India will thus observe that no financial responsibility is proposed to be incurred in connection with the training school or institute, so far as Government is concerned, but that the duty of supervising and controlling such a large establishment will add steadily to the work of the Matron and Assistant Matron Superintendents, and I am therefore to express the earnest hope of this Government that the proposals already made on their behalf may be strongly recommended to the Right Honourable the Secretary of State, and orders communicated by telegram, as the women and children were transferred to the General Hospital on the 27th September 1895 and the responsibilities of the Matron Superintendent have thereby been considerably enhanced.

I have the honour to be,

Sir,

Your most obedient servant,

OOTACAMUND,
25th May 1896.

21/5/96
Chief Secretary.

Note Her application for an increase with effect from this date was negatived in C.O. 161, of 30th Jan'y 1896.

Submitted that some better name should be given to the Hospital, so as to match with "The General Maternity Hospital"

I do not concur. The General Hospital is a well known and long known name and I am conservative enough to wish to see it stand to.

Directing that the proposition statement showing the financial results of the reorganization to be effected in the non-gazetted staff of the General Hospital be forwarded to the Government of India, and drawing the Surgeon-General's attention to certain corrections made in the proposition statement forwarded by him.

No. 566, PUBLIC, 25TH MAY 1896.

PUBLIC DEPARTMENT.

LETTER—from

THE CHIEF SECRETARY TO THE GOVERNMENT OF
FORT ST. GEORGE,

To

THE SECRETARY TO THE GOVERNMENT OF INDIA,
HOME DEPARTMENT (MEDICAL).

SIR,

With reference to the marginally-noted correspondence regarding the grant of an increased salary to the Matron Superintendent and the appointment of an Assistant Matron Superintendent in the combined General and Women and Children's Hospital at Madras, I am directed to forward the accompanying proposition statement, showing the financial results of the reorganization to be effected in the non-gazetted staff of this institution.

2. The average cost of the proposed scale, including exchange compensation allowance, will be about Rs. 70,600 per annum, against a provision of Rs. 74,600 in the sanctioned estimates of the current year.

3. The net annual increase is shown to be Rs. 878 per mensem and is made up of the following items:—

	RS.
(i) Increased pay and allowances of the Matron Superintendent ..	87
(ii) Pay and allowances of the new Assistant Matron Superintendent.	317
(iii) Nursing staff	892
(iv) Ward attendants (including pupils)	497
Total ..	1,293

Deduct savings under—

(v) Subordinate medical staff	412
(vi) Other establishments	3
Total ..	415

Net increased cost .. 878

4. (a) The savings under (v) *Subordinate Medical Staff* are due to the transfer of the Military Assistant Surgeon attached to the late Women and Children's Hospital to the Civil Municipal hospital at Chicacole.

(b) Of the increase of Rs. 497 shown under (iv) *Ward Attendants*, the greater portion (about Rs. 300) is not real, as the expenditure hitherto incurred on *hiring extra temporary attendants* and charged to *Contingencies*, &c., has necessarily been excluded from the present scale of the proposition statement. The entertainment of such temporary establishments has been strictly forbidden, and a scale of permanent establishment laid down, * proportionate to the requirements of the combined institution.

* Paragraphs 4 to 6 of G.O., No. 304, dated 28th February 1896.

(c) The grounds for strengthening (iii) the Nursing staff have also been carefully considered,* and His Excellency the Governor in Council is convinced that the proposed scale is by no means more than adequate for the largest hospital

in the Presidency, where the full complement of five hundred patients may be expected to be constantly under treatment and which is utilised for the training of the pupils in the Medical College.

5. (a) The cost of the Lady Wenlock Nursing Institute (Rs. 320 per mensem) is not included in the proposition statement now forwarded, as it is to be entirely self-supporting and independent, as already explained in my letter No. 137, Public, dated 28th January 1896.

† (i) Special lady, probationers and special probationary nurses.
G.O., No. 839, dated 9th October 1895.
(ii) Probationary nurses and attendants to be trained for local bodies, Lady Dufferin's Fund Committee, &c.
G.O., No. 564, dated 25th May 1896.
Copies enclosed.

(b) Nor does the proposition statement include the cost of certain other † schemes for training probationary nurses and attendants who are to defray their own expenses in full, but whose services will occasionally be utilised at the hospital.

6. The Government of India will thus observe that no financial responsibility is proposed to be incurred in connection with the training school or institute, so far as Government is concerned, but that the duty of supervising and controlling such large establishments will add steadily to the work of the Matron and Assistant Matron Superintendents, and I am therefore to express the earnest hope of this Government that the proposals already made on their behalf may be strongly recommended to the Right Honourable the Secretary of State, and orders communicated by telegram, as the women and children were transferred to the General Hospital on the 27th September 1895 and the responsibilities of the Matron Superintendent have thereby been considerably enhanced.

I have the honour to be,
Sir,
Your most obedient servant,

J. F. PRICE,
Chief Secretary.

OOTACAMUND,
25th May 1896.

The Proposition Submitted for the
reorganization of the Genl Hoapl, called
for imp. st. 304 Pubd. 28. 2. 96 (para 13),
& for which India has twice
telegraphed, has been received
from the Surge Genl.

It has not been possible to submit this for orders earlier, as G.O. 759 Pubd 9.9.95 had to be obt^d. from Madras. It was telegraphed for and recd yesterday (Sunday) the Edinb^{urgh}

The Surgeon Genl quotes P.O.
N^o. 3000 Pubd 28.2.96 as the sanction
authority for the whole of the
proposals, but, as will be seen
from the annexed memorandum
it, it approves merely a very
small portion of them. It is quite
apparently as being the last
on the subject.

The Govt of India has already been addressed in regard to the reorganization scheme in letters $\frac{440 \text{ Pub}}{2/31.8.95}$
 $\frac{587 \text{ Pub}}{2/6.7.95} + \frac{137 \text{ Pub}}{2/20.1.96}$; and copies of these Govt's Proceedings

434

439 Pub and 1003 Pub
2/31.95 and 4/11.12.95 were forwarded
with the 2nd & 3rd of these letters.

The term "attendant" has
not been substituted for "coolie"
as agreed upon in para 9
of Jo. N. 759 Pubd 9.9.95; nor
has the term "purveyor" been
discontinued as required
in the same para.

It will be seen that the six
Nurse Probationers on Rs 15 Each
(forming part of the existing establishment) H. M.
have been grouped with the
six male & four female ward
attendant probationers (of the
proposed scale), under the head
"Training School for the full staff".

In para 6 of his letter N. 824 of 2.9.95
supp. N. 439 Pubd 31.5.95 the Supr
Genl proposed that the accounts
of this School should be kept separate
& its strength to be limited to 20
only.

Two lady probationers
Six special probationers
Twelve nurse probationers. In the
above are alluded to - the other
to be sent by up country local authorities
or the lady Dufferin's Fund Committee.

In para 15 of Jo. 439 Pubd 31.5.95
the foot stated that it was not in
a position to pass orders on the
above proposals and requested
the Supr Genl to look very
carefully into the matter
& submit a separate report
on it.

The Supr Genl's reply in letter
N. 475 of 22.7.95 was not considered
satisfactory. He was directed
to furnish more detailed infor-
mation, especially to state his
grounds for his opinion that
the special lady Probationers
would be of the coming year

FOR ORDERS.

* Note
attention is invited, in
this connection, to the draft
order in the linked file.

* H
The "Lady Probationers"
and "Special Probationers" are
not required to be provided for in
the Propn Statement on their
receiving no allowances from
Govt.
C.B.

* info. N. 668 Pubd 6.8.95

vide Jo. 668 Pubd 6.8.95
on this being submitted
by Dr. Sir Thorpe in his letter
No. 380 of 10.9.95 (Jo. N. 839
Pubd 9.10.95) with a set of
draft rules, the rules
were approved of & the
Hon Mr. B. is remarked -
"As to the power of special
probationers to pay the sums
proposed, we cannot try &
see what comes of the scheme"
(vide Jo. 839 Pubd 9.10.95)

6 In its letter N. 864 of 2.12.95
with Jo. 136-37 Pubd 25.1.96 India
intimated that a reference had
been made to the Secy of State
regarding the appl. of an Asst
Matron Supr, and requested that
no financial responsibility in con-
with the proposed Lady Wellock
Institute should be undertaken
without its sanction. It further
called for a propn Statement & for
full particulars as to the necessity
for such an institute being
established or regulated by govt.
with its reply (letter 137 of 25.1.96)
this govt forwarded the propn Statement
a copy of the rules of the Institute
approved of in Jo. N. 1003 of 11.12.95;
explained that as one of the
details had not to be disposed of,
the propn statement for the full staff
would require some little time
for preparation. In conclusion
govt expressed the hope that
India would recommend the
advance proposed in the
of the Matron Supr.

It is submitted

1301 Pub 1003 Pub

that the prop^d statement may now be forwarded with a copy of G.O. N^o 304 Pub d/28.2.96 (if necessary of G.O. N^o 839 d/9.10.95 regarding the rules for Special Probation Nurse Pupils) under a short covering letter.

India has been told by telegram that the prop^d statement is under scrutiny & will be sub^d as early as practicable.

C.S.
4.5.96

The prop^d statement now submitted by the Surgeon General has been compared with the orders already passed (vide Memorandum attached) and appear to be correct. As stated in the Memorandum, the details under Stenard's department, Office and San'y. Sect^r which were approved of in para 8 of G.O. 759 of 1895 are not available but they can be checked, if considered necessary, at Madras, a copy of the P.S. connected with G.O. N^o 759 of 1895 being obtained from the Asst. Secy's Office.

It is submitted that the P.S. should be printed (this will not delay it much) & that India should be furnished with copies of G.O's 759 9.9.95 and 570 9.7.95 to complete the chain of correspondence. It has had G.O's 439 31.5.95 and 1003 11.12.95
