In reply to your note of yesterday's to the Hd. Clerk, R. D., I send you the following information which is all I am able to gather from an examination of the Library Received Register. Two copies of the following publications are received, one of which is supplied to one or another of the Depts & the Board.

1. Foreign Office Miscellaneous Series - Reports on subjects of general and Commercial interest.

Note

In accordance with requisitions sent to it at various times the India office had for some time supplied parliamentary papers direct to the various depts. and officers of this Govt. In Despatch No 38 13th January 1876 (No. 144 & 11 Feb 76) the Secretary of State in view to greater efficiency and the saving of some trouble proposed to send the whole of the papers to the Secretary to the India Govt. in the Public Dept. for distribution to those concerned, according to a numbered list compiled from requisitions received.

Please draw up a G.O. circulating
your tabular statement to heads of
departments concerned for very early
report as to whether any reduction can
be made in the copies supplied to them.
The order should also state that the
items I have marked X will no longer
be required in the Secretariat library
and that one copy of the remaining
blue books will suffice for the com-
bined library of the Revenue and Chifure-

Secretariats (you will know, better than I do, whether I am correct in my estimate; my own impression is that the blue books are seldom, if ever, referred to and that one copy would be ample). A letter should also be drafted to the Under Secretary of State asking him to make the above reduction and also to discontinue the Military Secretariat and Government Solicitors' reports. Let me have the whole order and letter in proof please and please make them quite clear. I think the order should also direct that the copies of Blue books in excess of one at present in the Secretariats (Chief and Rev.) will be sold by auction. Read again previous G.O's.. (P) in the order and please consult Librarian in drawing it up.

I herewith submit a draft order and letter to the Under Secretary of State as desired in proof regarding Parliamentary papers.

It is thought that 2 copies of those relating to India may be kept in the combined Secretariat Library and one only of the other papers. Of items 7 a - 8 - 11 and 24 in the statement, which belong to the latter class, the Revenue department now receives 2 copies one of which it sends to the Boards

Parliamentary Papers -

Ch. R. Madras

I think not, but it is a precautionary arrangement sending Burma copies (H.M.) as to them more & more

Office. A copy of each of these has also been retained.

The statement in the letter to the Under Secretary of State embodies the above reductions, including that caused by the discontinuance of the supply to the Govt. Solicitor and the late Military Department.

As regards the sale of the surplus copies of the Parliamentary papers now in the Secretariats, I think it will be well to add "if not required in the Connemara Library" in the draft order.

Ch. 23.8.96

P.S. Need the order be sent to Nos. 28, 29 & 30 viz., Residents of Mysore and Hyderabad and Chief Commissioner, Burma.
