Mind

Miss Arnold joined the service in 1892, and though although educated in Europe, will not be debared by the two years' rule vide rule 17.

It is submitted that this information should have been given by the Presd, Bd of Examiners or the D.P.I.

Rule 5 however states that every officer must pass the compulsory test in the first language within two years of their entry into the Dept. This is all that is reqd of teaching officers and as all three officers in question have been ~~at least four~~ at least four years in the Dept it is presumed that they must have passed the compulsory tests. If it is thought otherwise however the Presd
