READ—also letter from the Chemical Examiner, submitted through the Surgeon-General, No. 561, dated 4th June 1896.

ABSTRACT.—Applying for five days' casual leave to proceed to Bangalore and stating that there are no college duties to arrange for and that the First Assistant Chemical Examiner will attend to the current duties of the office.

No. 176-Tour.

Forwarded for favour of sanction, if necessary. The status of the Chemical Examiner is laid down in G.O., No. 175, Public, dated 3rd February 1896. I am doubtful whether it is necessary for him to apply to Government for casual leave, as paragraph 1 of G.O., No. 686, Public, of the 14th August 1895, refers to privilege and not casual leave and it appears to me it might be meant to be superseded by G.O., No. 175, Public, dated 3rd February 1896. As far as I know, only independent heads of departments require the sanction of Government for casual leave.

ORDER—No. 612, Public, dated 11th June 1896.

In continuation of G.O., No. 175, Public, dated 3rd February 1896, the Chemical Examiner will be authorized to grant himself casual leave within the limits prescribed in G.O., No. 853, Financial, dated 17th October 1894. He will, however, previously report his intention of doing so to the Surgeon-General and, except when the Medical College is in vacation, to the Director of Public Instruction.

C. No. 1890

FOR ORDERS:

x A

In connection with an application for privilege leave the Chemical Examiner was told in para 1 of G.O. N° 686 Pubd/14.8.95 that he should inform the Surgeon General of whatever arrangement he proposed for the conduct of his duties during his absence, and after obtaining that officer's approval of such arrangement, he should address the D.P.I.; but that, in respect of leave within the vacation of the Mad College the D.P.I. had practically granted a general approval, for which directed that applications for it need not be submitted to him. The Chem. Examiner was therefore in such a case to address for direct of obtaining the Surgeon Genl's assurance that the arrangements proposed were unobjectionable.

In para 3 the question of the Chem. Examiner direct to the Surgeon Genl for all parts

was referred to the cases of
15th D.P.I.

On a consideration of their
replies & the practice obtaining
in Bengal & elsewhere when
there are Chem. Examiners,
it was decided in G.O. N.
175 Pubd/3.2.96 that the
Chem. Examiners should in future
communicate with foot on
all matters of administration
through, and in subordination
to the Surgeon General; but
should continue to correspond
direct with foot on technical
questions referred to him
for report.

The Surgeon General now forwards
for favour of sanction if necessary
an application from Surge Major
Van Geyzel for five days' leave
from the 15th instant,
and enquires whether it is
necessary for him to apply
to foot. The Surgeon General states
that para 1 of G.O. 686 Pubd/14.8.95
(referred to above) related to
privilege, & not to casual
leave, and is apparently
meant to be superseded
by G.O. 175 Pubd/3.2.96

With ref to the Surgeon General's
remark that only, Heads
& Depts require the sanction
of foot for casual leave,

attention is invited to para 2
of G.O. N. 853 Finl d/17.10.94.
This states that Hds & Depts are
authorized to grant themselves
casual leave within the limits
prescribed, or then previously
intimating their intention so to
do deems officially to foot.
If therefore the Chem. Examiner
is in this case to be considered
a Head & a Dept, he
should grant himself the
leave. But being under
the Surgeon General for all
administrative purposes
that officer, and not
foot, should grant
him the leave. There
are no College duties to arrange
for & so the D.P.I. is not concerned.

It will suffice, it is
said, to lay down that the

Chemical Examiner can, and
an independent head of a dept.,
grant himself casual leave
within the limits ^{previously} reporting
his intention of doing so to
the Surgeon General and, except
when the Medical College is in
vacation, to the D. P. I.
