Note for the Hon W. Bliss C.P.E.

With reference to his query
of 3.4.96 "What reply was sent
by this Govt to Mr. Dyall's letter
on p. 60 of the (Anti Cholera
Inoculation) pamphlet?
the H.M.'s attention is ^{Solicited} ~~sent~~
to J.O.S. 702 Pub, & 830 Pub, of
31.8.93 and 10.10.93 respectively

It will be seen from the
former that the Govt of India
was informed that the Deputy
Sanitary Commissioner and
all District and Presidency
Medical Officers had been
instructed to assist Dr.
Haffkine and to learn from
him the processes required
for the preparation of the
Cholera virus and its
subsequent inoculation

Further this Govt asked
to be informed of the pro-
grams of Dr. Haffkine
visits to the several districts
of the Presidency, ^{in view} ~~with~~ ^{being}
to arrangements ^{being} ~~could~~
made to ensure that
the medical officers concerned
should be present at the
headquarters at the

I think Mr. Dyall would ask India
if there is any prospect of Dr.
H's coming this way within
any reasonable time. Just, I
think we might send an officer
to wait on him & study his methods
under his instruction. I should
very much like to know whether
we could start his system
down here. Government an officer
would learn more about it
& see what it would cost to
start the working of the system
