C. No. 1550

FOR ORDERS.

last letter I intimated Mr. Mullaly the
Colt. of Kurnool in head. He reported
within his annual report departure to me
and as I knew that he had no further
affairs to hand over changed
I wrote to him drawing his attention
to the orders on the subject. He replied
saying that he did not know of the
business of GO No 1699 dated 29th Nov-
1895 which requires that where a
Colt. cannot arrange to have a
Commissioned Officer at 10th. Co. during
his absence he must report to Govt. that
this is not feasible and state the
arrangement made by him for the
transaction of business. Mr. Mullaly
makes this a/leg upon which I
have a request for an European Asst.
and the impression of the opinion
that the 10th. Asst. Colt. should
always be a European.

He asks Officially for a European Officer to take for Mr. Humphreys duty (Mr. House a Commanded Officer has been sent).

I submit that the order issued was framed with a view to prevent ^{collecting} ~~disturbances~~ walking off from their duties at head quarters without making any arrangements for the conduct of business during their absence. This is apparently what Mr. Mullaly did. He seems to have taken the Easter holidays and I think that he backed on casual leave for a day or two - and to have left the district to take care of itself: if he had called in Mr. House properly, that to sort things which he was away he would no doubt have done so. He seems to wish to justify his taking an Abs. or to having a European Officer posted to the Kinnor Dist. The order of 1865 was contemplated that native Constabulary wallahs. They have come and much he treated as if they were European Officers as regards taking charge during absence of Collector.
