PUBLIC DEPARTMENT.

READ—file of returns of persons licensed under the Indian Christian Marriage Acts V of 1865 and XV of 1872, as amended by Acts VI of 1886 and II of 1891.

ORDER—No. 664, Public, dated 23rd June 1896.

The list of persons licensed under the Indian Christian Marriage Act, corrected up to the end of the year 1894-95 according to the information afforded in the foregoing papers, will be circulated to the Resident in Travancore and Cochin and to all District Magistrates for communication to the Marriage Registrars within their districts.

2. It will also be communicated to the Secretaries of the various Missionary Societies with the request that the returns for 1895-96 may be forwarded punctually on the due date (1st October 1896), the necessary corrections being made in the body of the list now furnished.

3. The names should be arranged in chronological order for each denomination according to dates of licenses, and particular attention should be paid to the accuracy of the sections of the Act under which they are granted. The names of those who are "*permanently absent*" should apparently be removed from the list, and their licenses revoked.

4. District Magistrates should scrutinize the lists from time to time with a view to ensure that no more than a sufficient number of persons is licensed for each station.

ORDER—dated 20th February 1892, No. 126, Public.

The list of persons licensed under the Indian Christian Marriage Act, corrected up to the end of the year 1890–91 according to the information afforded in the papers read above, will be circulated to the Resident in Travancore and Cochin and to all District Magistrates, for communication to the Marriage Registrars within their districts, as well as to the various Missionary Societies.

2. The Government again regrets to observe that the majority of these returns were received after the prescribed date, and that in several cases the section or sections of the Act under which each person is licensed have not been given in the remark column. Particular attention has been drawn to these two points on previous occasions, and the Government trusts that there will be no necessity to notice them again.

3. Officers submitting these returns are requested in future to correct a copy of the list as circulated and return the corrected copy to Government before the 1st October of each year.

Note for S. A.

It is submitted that last year's return
in Trinivally, as printed in G.O. 126
20-2-92, contains 18 names, whereas
the present return (ex. 2672) contains
only 3. The S. M. does not state why
the other 15 are omitted. May it be
referred back to him for the necessary
information before the list is corrected?
The original G.O. is not here & have asked
Anima Pillai to put it up before sending it,
as last year's original return will
have to be compared with this year's
before the reference goes out.

ORDER—dated 20th February 1892, No. 126, Public.

The list of persons licensed under the Indian Christian Marriage Act, corrected up to the end of the year 1890-91 according to the information afforded in the papers read above, will be circulated to the Resident in Travancore and Cochin and to all District Magistrates, for communication to the Marriage Registrars within their districts, as well as to the various Missionary Societies.

2. The Government again regrets to observe that the majority of these returns were received after the prescribed date, and that in several cases the section or sections of the Act under which each person is licensed have not been given in the remark column. Particular attention has been drawn to these two points on previous occasions, and the Government trusts that there will be no necessity to notice them again.

3. Officers submitting these returns are requested in future to correct a copy of the list as circulated and return the corrected copy to Government before the 1st October of each year.

J. F. PRICE,
