FROM

J. P. HEWETT, Esq., C.I.E.,
Secretary to the Government of India,

To

The Chief Secy. to the Govt. of Madras.

Simla, the 27 May 1896.

SIR,

IN Home Department Resolution No. ^{5-Medical} 135-166, dated the 24th February 1896, it has been decided that in future the seniority of a Medical Officer officiating in civil employ shall be determined by the date on which he assumed charge of his first appointment. In the orders contained in paragraph 2 of the Home Department Circular Nos. 14-569-575, dated the 15th November 1880, the Government of India reserved to themselves the power of transferring Medical Officers in civil employ either permanently or temporarily, from one Province to another. It has now been represented to the Government of India by the Director-General of the Indian Medical Service that when a Medical Officer is transferred from a Province in which he has been confirmed, there may be difficulty in giving him in his new Province the pay to which he was entitled in the old one. The Director-General of the Indian Medical Service has accordingly suggested that the position to be occupied by an officer so transferred in respect of seniority and eligibility for a permanent appointment in the Province to which he is transferred should be regulated by the date on which he entered civil employment as provided in the Circular of the 24th February last.

Communicated to the Govt. of Madras by Resolution No. 14 of the same date.

2. It is intended that such transfers should be of exceptional occurrence, and they will generally be in the interests of the officer transferred. In order, however, to provide for the contingency of the transfer of a deserving officer from a Province in which he has a permanent appointment in civil employ, the Governor General in Council proposes to make it a rule that, when a transfer of this nature is made, the Local Government to which the officer is transferred should ordinarily appoint him to the first substantive vacancy which occurs after all officers in the Province of longer service in civil employment have been provided for. I am to enquire whether *His Excellency the Governor* in Council has any objection to this rule being adopted in the future.

I have the honour to be,

SIR,

Your most obedient Servant,

J. P. Hewett

Secretary to the Government of India.
