Memorandum No 1003
 2/12.5.96

In his letter No 26 of
 27th March 1896, the Commr of
 Police reported that the mem-
 orialist had been living in
 Madras, since his childhood.
 The memorialist says he is
 aged 29 and that he has
 been in Madras only for the
 last 15 years.

2. It is not clear what
 portion of the first 14 years was
 spent in British India, or
 at what period of his life,
 & when his father acquired a cer-
 tificate of naturalization
 from the British Govt -

3. If the memorialist
 was a minor, at the time of
 his father's naturalization,
 no fresh certificate will
 now be necessary, as the
 nationality of a wife and
 minor children changes
 with that of the husband/father.

4. The memorialist has
 declared, in his letter
 No. 26, as required by the Act,
 his intention to settle perma-
 nently in British India.

5. To avoid frequent
 references due to minor
 details in the Commission
