OFFICE NOTE.

The Superintendent, Government Press, submits that he has not included brass rules in his Indent on the Secretary of State, for 1896-97, as the Superintendent, Government Printing, India, informed the undersigned in his letter No. 322 F, dated 1st November 1895, that he has undertaken the manufacture of 8-to-Pica Plain Brass rules for all Government Presses in India. He now informs in his letter No. 98 F, dated 10th June 1896, that the "brass sheets received from England having been found to be defective, the preparation of brass rules has been stopped until the receipt of a fresh supply. He further informs the undersigned that it is not known when these brass sheets will be received.

Under these circumstances the undersigned submits a supplemental indent on the Secretary of State for 80 gross of brass rules required for this official year.

2. As it is necessary that some brass rules should be obtained at once to facilitate work during the next two months, it is solicited that sanction may be accorded to the purchase locally of 10 gross of brass rules at a cost of Rs 300.

3. The necessary money to meet the cost of the 90 gross of brass rules has been provided for in the Press Budget Estimate for 1896-97.
