22 JUN 1896

Dear Sir,

I have to day submitted an
 application for three months
 permission leave from the 21st July
 next. I have more than completed
 the necessary arrangements as
 I have had no leave since my
 return to duty in March 1895.
 I want to go to England as I
 have some private affairs to
 adjust there in connection
 with a house of mine and
 I can do better personally than
 by writing. I will have
 completed all my annual

Report before I command
there are no answers
in any office. As far
as I know there is no
question of importance
in the matter and
reference to the fact
cannot await any
return. If this Secretary
approves of my going
the same I cannot suppose
that Surgeon General
Baltimore nor District
Principal Medical Officer
Madison should be

appointed to carry on the
business of my office without
Magnificence to his own. I
propose this as an answer
to almost of officers. I
have ascertained from
him that he is willing and
from this Secretary the District
General Commanding and the
acting Principal Medical
Officer Madison command
that they have no objection.
If this Secretary approves
of this proposal it would be
necessary to obtain the
District General Commanding

C. No. 2036

Application from *Singh Major*
Sgt. S. B. Sibthorpe for 3
mos. p.c. from 21st July 1896.

27/6/96

He S.G. has already placed before
the Govt through the S.G.
the proposal that Sgt Col
Bakeman should perform the S.G.'s
duties in addition to his own.
He has signed his assent
to this

27/6/96

Bakeman was named over,
I would be necessary to consider the fitness of
Dr. McQueen and Blenkinsop, before considering
that of Dr. Bramford. There is a pledge or understanding
that men belonging to the higher ranks of the
Indian Med. Service, as Dr. McQueen and
Blenkinsop are, will be eligible for employment
and promotion in the order of seniority in
which they stand in the Indian Army list
page 545. Dr. McQueen is, I
believe, a good man, and I think Dr. Blenkinsop
is so also. Dr. Bramford would, I suppose,
have to give up his private practice, if
appointed to act as Surgeon-General. He would
probably dislike this. *29.6.96*

I think, on the whole, Sgt. Col. Bakeman
may be appointed to act. *28.6.10.*

This seems to me a very
unsatisfactory arrangement, the
general belief being that Sgt. Col.
Bakeman is incompetent to the
proper performance of his duties,
let alone those of a Surgeon-General.
It is added to his own duties,
which he, I remember, very much
was satisfied with, to place
in the hands of Dr. Bramford in charge of
Dr. Bramford's duties during his absence. He
is not Dr. Bramford in any way, but
it was the intention of the Government
to have no professional duties
placed on him, but to have him
act as a private citizen.
Dr. Bramford is the senior officer
and ought to be next to the S.G., so
to him, humanly speaking, in all
probability the destined successor of
the office as the head of the Civil
list; and that, therefore, the present
is an excellent opportunity for Dr. Bramford to
show his opinion as to his competency
to act.

29/6/96

As myself inquiring as to the fitness of Dr. Bakeman
I have spoken to the Surgeon-General on the subject,
assured me, however, that Dr. B. would be able
to discharge the routine duties that would fall
in his way.
