12 Mr. H.R. Farmer has been permitted to retire with effect from the 22nd instant, and orders are solicited as regards the filling up of this permanent vacancy.

2. The next officer for promotion to a permanent Collectorate or Judgeship is 57 Mr. R.D. Broadfoot who will join the Tinnevely Court on the 13th July. He might be made permanent Judge of Tinnevely and a double paper appointment in the Civil List be saved, if 26 Mr. H.T. Ross, at present on special duty, were appointed on paper to be permanent Dt: Judge of Vizagapatam.

Mr. Broadfoot's promotion will render the Sub-Collectorate of N. Arcot permanently vacant and the next officer for promotion to this grade is 73 Mr. E.A. 3. Before the question of the promotion of the next officer, Mr. J. H. Four Head Assistantships have been listed. One of these is permanently held by a Statutory, Mr. T. M. Swaminatha Aiyar, and two have already been permanently transferred to the Provincial Civil Service. There is therefore one more available.

5. This calculation excludes the appointment at present held by Diwan Bahadur Rajarathna Mudaliyar, viz. the Secretaryship to the Board of Rev. (Revenue Settlement Ac.). As regards this appointment, attention is solicited to para 3 of India letter on page 4 of G.O.No.721 Pub. of 1895. It will be observed from the schedule to 24 & 25 Vic. Cap.54 (pages 51 & 52 of the Handbook of Procedure and precedents) that the "Secretaries to the Board of Rev." are scheduled appointments that is those reserved for members of the Indian Civil Service and which can be filled otherwise only as provided in secs: 3 & 4 of 24 & 25 Vic. Cap.54 and in sec.VI of 33 Vic. Cap.3 (page 53 of the Handbook). Although the Secretaryship to the Commissioner of Rev: Settlement was created after the passing of 24 & 25 Vic. Cap.54, its status as a scheduled appointment is

saved by the words "all such offices which may be created hereafter" in sec. 3 of the Statute.

Sec.VI of 33 Vic. Cap.3 (page 53 of the Handbook) is the legal authority for the creation of listed posts. One Secretaryship to the Board has been listed and from para 3 of India's letter quoted above, it is clear that the particular Secretaryship is that at present held by Diwan Bahadur Rajarathna Mudaliyar. As this officer is to be appointed I.G. of Registration, the decision as to filling up his post will affect the present question, for if the Secretaryship to the Board of Rev. held by him is filled by a Provincial Service officer, it must, under para 3 of the India's letter, be included in the calculation of the number of posts held by Statutory Civilians and members of the Provincial Service for the purpose of regulating the claims to promotion of the members of the Indian Civil Service. At present it is not so included.

It is understood that the vacancy in the Inspector Generalship of Regn; will be sub-protom only. As a necessary consequence that in the Secretaryship to the Commissioner of Rev: Settlement will be sub-protom also. ^{Serwal} ~~None~~ of the officers of the Indian Civil Service ^{from} ~~including~~ 74 Mr. R.Morris ^{downward} ~~and those below him~~ that is of the year ~~1884~~ 1884 and below hold higher permanent appointments than that of Head Assistant (pay Rs.768-5-4) and under the

they are all acting as Sub-Collrs: ~~and~~ in higher appointments and

table at A these officers can claim that no more than one post of higher standing than theirs (including those held by Statutory Civilians) ^{shall be} transferred to the Provincial service before their claims are satisfied. For the Indian Civilians of 1885 the number is 1.8 (say 2) for those of 1886, 2.7 (say 3). Two Statutory (Messrs. Manavedan Raja and Muhammad Raza Khan) hold permanent Sub-Collectorates and so before the Secretaryship to the Commissioner of Rev: Settlement is transferred permanently to the Provincial Civil Service the claims of ~~all~~ the Indian Civilians of 1884 & 1885 - i.e. from 74 Mr. R.Morris to 83 Mr. H.V. Cobb come into consideration. The vacancy will be a sub-protom one which may hereafter be permanent. So long as it is sub-protom the Indian Civilians of 1884 and 1885 would not gain by being appointed to it, for under art: 110 of the C.S.R. acting allowance cannot be calculated on sub-protom pay; but the contingency of the permanent vacancy has to be considered, as if a Provincial service officer is not put in sub-protom, he will in ordinary course be confirmed should the post become permanently vacant.

6. As regards the Head Assistant vacancy it is to be observed that Mr. P. Rajagopala Chariyar, who has not yet been promoted to a permanent post of this class, takes his place for promotion at the end of the Indian Civilians of

of Mr. Robertson's year. If the Head Assistantship is now to be transferred to the Provincial Service, the four listed posts of that class will be permanently occupied and Mr. Rajagopala Chariyar, who under other circumstances would obtain his promotion in the next vacancy but one, will have to wait till one of the four listed Head Assistantships is vacated by a Statutory or Provincial service officer, unless action is taken as regards his promotion under Govt. of India letter d/ 17th July 1894, No. 14 Pub/ 1231 on pages 2 and 3 of G.O.No.680 Pub., d/ 14-9-94.

Ch. 96
I have fairly puzzled over this matter and can make nothing satisfactory out of it. Makes solution a guess. There is some difficulty. I submit that the case should be put before the Govt. of India in view of its regarding this matter which is a matter of fact. A majority of the Govt. being in favour of the transfer to the Provincial Civil Service of the equivalent to the Head Assistantship in Mr. Farmer's vacancy, orders are solicited as to the particular Head Assistantship which should be given up. The posts of this class in Tinnevely and Godavari have already been converted into Deputy Collectors' charges.

Anantapur has no Sub-Collector and a Statutory - Mr.K.C.Manevedan Raja is at present acting as Collector. The Head Assistantship in N.Arcot is at present under the charge of a Dy. Collector. The Sub-Collector of S.Arcot is a Statutory. Bellary and S.Oanara have no Sub-Collectors. The Head Assistantship in the latter, ^{district} is, under present arrangements, to be filled by Mr. Couchman when he returns from leave on the 13th Septr. Chingleput and Cuddapah have no Head Assistants. In Coimbatore the acting Sub-Collector is a Statutory. The divisional charges of in Ganjam should, it is submitted, if possible be held by Indian Civilian. In Godavari the Head Assistantship has, as stated above, already been transferred. For the Head Assistantship in Kistna, it is understood that ~~an~~ an Indian Civilian is required, owing to the large European population at Bezvada.

Kurnool has no Sub-Collector and the Head Assistantship is at present held by a native of India. A Dy: Collector is at present in charge of the Head Asst's division in Madura. ^{Th: p} Permanent transfer of any of the Malabar charges is, it is submitted, out of the question. In Nellore the Sub-Collectorate will be in charge of a Dy: Collector for a year. The Nilgiris appears to be out of the question. The Head Assistantship in Salem is at present under a Dy: Collector ^{and} Tripatur is ^(somewhat) a favorite station. The charges in Tanjore are heavy ones. Tinnevely has already given up its Head Assistantship. Trichinopoly has no Sub-Collector and Vizagapatam may, it is thought, be left aside. Perhaps either the Head Assistantship of N. Arcot or that of Madura, both of which are at present under Dy. Collectors, may be selected.

Ramnad (Madura) is a station

in so far as Ramnad is concerned. But, I see
objections to Ramput, the chief of which is
that it is desirable to have the Deputy Collector,
Krishna Rao, who is now in charge there,
and this can best be done by taking Mr. Greenly
the charge as already suggested. Moreover,
Arkonam, where there is a number of Europeans,
is in the Ramput Division. There is also
at Ramput, a good house belonging to Govt., the
use of which, a Deputy Collector might find
it difficult to buy. There is no objection
to Ramput & Berhampore, the station
mentioned by the Hon. Mr. Bliss.

I think it will be very in
the Ramnad charge but
under a native officer - Ramnad
from Madura, there are few
in the dist. & the C.B. cannot
vice the officer stationed there, but
leave him much to himself. He
can, however, be easily looked after.
I should prefer a native there to an
Englishman, however, mind a native
here. The agency tract, included
are, I believe, few & unimportant,
is close at hand.
I should like to see the
the house now being built there for
a native officer?
