Public DEPARTMENT.

Sir,

I have the honour to state that in my letter No.280, d/ the 8th April 1896, I applied amongst others for the services of Surgeon-Captain E.H.Wright for temporary employment in the Civil Department, but in G.O.No.633, Public, dated the 16th June 1896, I was informed that owing to the exigencies of Military service the Government of India could not spare any officers.

2. On the 12th instant, however, I received a telegram from the Resident, Hyderabad asking me to "wire Surgeon-Captain Wright's destination, also nature of appointment --- whether permanent or temporary". In reply I sent him the following message:-

"3677- Your 47- No orders yet received from India placing Surgeon-Captain Wright at disposal Madras Government nor his appointment yet decided".

3. On the 16th another telegram was received direct from Surgeon-Captain Wright stating " P.M.O.directs me to wire for orders, please wire"; he was informed that there were no orders regarding him.

4. I have the honour, under the above circumstances, to enquire if any orders have been received from the Government of India regarding this Officer, and if not, to request the favour of your ascertaining by wire if his services can be utilized. He can be employed as Resident Medical Officer ^{Surgeon} in

in the General Hospital, Madras, where owing to the departure
of Surgeon-Captain G.G. Giffard on privilege leave these duties
are performed by Surgeon-Captain R. Robertson in addition to his
own.

I have the honour to be,

Sir,

Your most obedient Servant,

Chinchaube
