In reply to a telegram asking him the nature
of the leave applied for ^(India request) the person

Consulate and revert to military

The question of his successor
therefore has to be settled. A military

pay would be debitable to Provincial

Madras Presidency and known to be resident in India, was sent in circulation with the current about the status of the B. C. A. Pondicherry. This list was obtained from the Asst. Consular Agent, Pondicherry

FOR ORDERS.

H. M. the St. & Co.

I know several of the persons shown in list. I and have noted remarks against them. As far as I know the only one in the list who is ~~possibly~~ known French well is Mr. Staubmeyer who was brought up on the Continent. & he is a black sheep. of some of those in the list whom I know nothing may be acquainted with French but judging from what their previous occupations were they would ^{hardly} seem from the local point of view ~~suited~~ for the position of Consular Agent.

The only person that I can think of as at all likely is Col. Jane Sewell a retired Officer but I do not know what his qualifications in French are. He resides I believe in Bangalore.

From pp 117 and 779 of the Army list I make out that Lt. Col. Jane Sewell (Henry James Haylett Sewell), Indian Staff Corps, is in receipt of Colonel's allowances and is on the Unemployed Supernumerary list. (Non-effective list).

From page 85 of J. R. S. Vol I Part I it would appear that the Staff Corps Pay of a Lt Col is ^{the same} as a Major. (1) while regd to remain in India Rs 827.4.0 (2) while permitted to reside in or out of India (after succeeding to a post) ^{the same} Rs 1150.0.0

Rule 18 on page 21 of the same volume states that a military officer in staff employ must draw his total emolument of the dept in which he is serving from which he is absent on duty. But the allowances of an officer transferred from mil to civil duty will be paid by the civil dept from the date on which he gives over charge of mil. duty &c.

This is all I can find out in the matter.

Madras 18th of July 1896.

RECEIVED
21 JUL 1896
SECRETARY
GENERAL
GOVT OF MADRAS

Sir,

Adverting to your telegram dated 10th July 1896, I have the honor to state that the Accountant General, Madras, to whom a reference on the subject was made, states that he cannot say what officers can hold the appointment of Consular Agent, Pondicherry, in the absence of the original order creating the appointment (which, he states cannot be traced), but that the order of the Government of India recorded in Madras Government Order No. 1241, Public, dated 7 October 1870, directs that the post can be held by un-employed officers of the Staff Corps; and that assuming that Captain Hawkes of the Welsh Regiment can be appointed, he will get in the Civil Department his Regimental pay of rank in addition to the local allowance of Rs 300 per annum.

I have &c.

(no copy available but
please see page 3 of f.O. N.
628 Pub. d/13.6.96). The
Agent retains part of certain
fees levied by him. It is
a question whether the
local allowance of Rs 300
should be reduced by the
amount of the Agent's
average monthly in-
come from the levy of
these fees.

In view however of
the correspondence that
has already taken place
in regard to Captain
Hawke's acceptance
of the appt temporarily
it is submitted that
he should receive the
full local allowance

He may receive the fees in addition.
