Copy of letter from the Superintending Engineer, VI Circle, No. 747 M.D., dated 4th July 1896:-

I have the honour to request that you will be good enough to sanction from the reserve at your disposal under Provincial Repairs, Civil Buildings, an allotment of Rs. 300 for the Madura Division, for repairing the Magazine within Fort at Dindigul (Archaeological Work).

2. The repairs to the Magazine were rendered necessary owing to the transfer of certain explosives to Dindigul from the late No. I Periyar Division. These repairs have not been included in the rough estimate of works proposed to be undertaken for the conservation of ancient monuments for 1896-97 submitted to the Superintendent, Archaeological Survey, Madras, as they were not anticipated at the time.

3. The repairs in question being urgent, have been put in hand in anticipation of sanction to the allotment. An estimate for Rs. 300 has been sanctioned by the Executive Engineer.
