Not for
The return of lands held by the Commissioned Medical Officers has been completed up to the end of '95 as far as possible from the available information. It appears that the information has been supplied with regard to some of the, and perhaps including the, that they have, and for a few years for long. They have, and for a few returns from Civilian, who, I presume, have done so in ignorance of the G.O. 120/15.2.95 Public which directs members of the G.O. to the return of lands to be continued submission of land returns. Mr A. S. Cox, formerly of the Madras Civil Service, and now officiating Comptroller and Auditor, is submitting his land return.

M. B. 1890

NOTE FOR THE CHIEF SECRETARY

I have checked these returns - but it is a pity that they have been under-lying all the names of officers sending nil returns in the register, which was originally meant I think to show only those who did possess lands or

shares - The entries against the following names are new: Dr. Nailes, Henderson, Mariner, Nambill, Reeves, Brown, etc.

No returns have come in from Do. Hackett & Wetherall. I shall appoint them. The names of those who have returned or died should be removed from the register -

Additions in each year appear to show in red ink, & dated or rubricated, or in black ink. The late J. S. Wetherall appears to have sold his land (?) - he sends a nil return

from Stannard.

It is necessary for him to be in the future to this Govt. It is respectfully submitted that a reply may be sent to him stating that he need not, for his information and guidance of G.O. 120 18-2-90 Public.

The land returns of the Statute of the Indian Civil Service, and also of Statutory Civilian have been checked and corrected up to the end of '98.

The reports are so
 untidy that it is
 perhaps better to
 circulate only the
 few amounts with the
