No. 302 of 1896.

Subject

Submitting an application
from his Tamil Assistant
for transfer to another
Department.

Bangalore,
15th July 1896.

From

J. P. Krishnaswami Iastri, M. A.,
Tamil Assistant to the Government Epigraphist,

To

The Chief Secretary to Government.

Sir,

From a circular which was received last year, it appeared that the Government of India intended abolishing the Epigraphical section of the Archaeological Survey. Although that question has not yet been settled, the circular shows plainly that my prospects of promotion in this office are not very good. I intended to wait for the orders on the subject before addressing Government for a transfer to some other department, and might have continued in my present appointment, had it not been for the recent order changing the head-quarters of the Government Epigraphist to Ootacamund. I am given to understand that life in Ootacamund is much more costly than in

in Bangalore, and accordingly submit that I cannot live permanently at Ootacamund with my present pay (£50.). I therefore request that Government might be so good as to provide me with an appointment in some other department, where my prospects of promotion will be better.

2. I graduated in 1891 and took my M. A. Degree this year in History and Political Economy. I have also passed the following Special Tests:- The Précis writing Test; The Translation Test, Lower Grade (Tamil); and the Criminal Judicial Test, Higher Grade. I may also add that I have been serving in my present post from October 1891.

I beg to remain, Sir,
your most obedient servant,

J. P. Krishnaswami,
Tamil Assistant to the
Government Epigraphist.

No. 302.

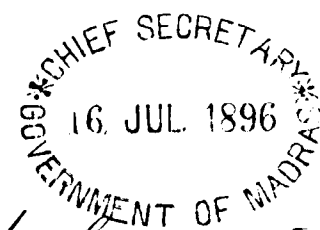

Bangalore,
15th July 1896.

From

Dr. E. Hultzsch,
Government Epigraphist,

To

The Chief Secretary to Government.

Sir,

I have the honour to submit a letter from Mr. T. P. Krishnaswami Sastri, M.A., applying for an appointment in some other Department. In support of his application I beg to say that, during the period of nearly five years which he has served under me, he has given entire satisfaction and has shown himself an intelligent, zealous and trustworthy officer, whom I shall be sorry to lose. The special training which he has received in my office, may prove an additional qualification for any fresh appointment, as he has learnt here to be

methodical and accurate in details.

2. I take this opportunity for requesting that the Government may be pleased to inform me with reference to my letters No. 300 dated 29th July 1895 and No. 378 dated 12th September 1895, if they are in favour of the retention of my services after the 31st March 1898, and if they intend to raise the pay of the Kamarese Assistant in the case of my retention.

I have the honour to be, Sir,
your most obedient servant,

Epigraphist.
