To

The Secretary to the Surgeon-General
with the Government of Madras.

Sir,

I have the honor to request that
the Surgeon-General will be so good
as to forward this my petition for
house-rent for the favorable consideration
of H.E. the Governor in Council.

2. I would respectfully request
to be permitted to point out that I
drew Presidency house-rent as Assistant
Physician, General Hospital, from the
1st April, 1884, till the 27th March, 1885;
as Resident Surgeon, General Hospital,
from the 28th March, 1885, till the
22nd June, 1886; as Acting Secretary
to the Surgeon-General from the 23rd
June,

June, 1886 till the 17th June, 1887; and as Inspector of Vaccination and Dy Sanitary Commissioner from the 18th June, 1887, till the 31st October, 1893.

3. On the 6th June, 1888, the Government of India in its Resolution no 2987, Financial, decided that "Presidency house-rent shall in future cease to be drawn by Medical Officers in Civil employ who are allowed the privilege of private practice." Para 2, however, of the Resolution distinctly states that "this decision will not affect officers who, on the date of this Resolution, hold substantively appointments entitling them to Presidency house-rent." On the date of the Resolution I was Inspector of Vaccination and Dy Sanitary Commissioner, drawing Presidency house-rent.

4. In 1893, finding that there was no chance of promotion in the Sanitary Department, I asked to be permitted to revert to Military duty, and was appointed to the 22nd Regiment, M.I.

In 1894 I was invited to return to Civil employ, and my services were

again placed at the disposal of the Public Department. From the 15th April, 1894, till the 21st October, 1894, I was acting Principal Medical Storekeeper, Madras, from the 22nd October, 1894, till the 3rd May, 1895, I was acting District Medical and Sanitary Officer, Salem. I assumed charge of the 2nd District, Madras, sub pro tem on the 4th May, 1895.

5. I now beg that I may be allowed to draw Presidency house-rent under para 2 of the Government of India Resolution no 2987, Financial, and that His Excellency the Governor will be pleased to sanction the grant of house-rent from the 4th May, 1895, the date on which I assumed charge of the 2nd District, Madras.

6. If I held my present appointment substantively, private practice might compensate me for the loss of house-rent. As, however, it is known that my appointment in the Presidency town is only a temporary one, and that Surgeon Major Browning may at any time assume charge of the district, the private practice I get

is very little. I may add that I still have to pay half Meas Subscriptions to my Regiment, as my appointment in the Civil Department is only a temporary one.

I have the honor to be

OFFICE OF SURGEON-GENERAL

Ag: SURGEON-GENERAL WITH THE

GOVERNMENT OF MADRAS,

To

THE HON'BLE THE CHIEF SECRETARY TO GOVERNMENT,

Public DEPARTMENT.

SIR,

I have the honour to forward for the orders of Govern-
ment the accompanying letter from Surgeon-Major D.F. Dymott
acting Surgeon, 2nd District, Madras, praying that he may be
permitted to draw Presidency House rent while employed in his
present appointment.

2. Surgeon-Major Dymott bases his claim on para 2 of the
Government of India Resolution recorded in G.O. No. 497 ---
Financial, dated the 22nd June 1888, but as far as
I can see, it does not apply to his case.

3. The para he quotes says that the order withdrawing the
grant of house rent does not affect those holding either per-
manent or acting appointments in the Civil Department on the
date of the resolution. As Surgeon-Major Dymott was one of the
Officers so situated, he would certainly have continued to
draw house rent if he had remained in the Civil Department
but as he resigned his civil appointment and reverted to ---
Military duty of his own accord in 1893, he can only be looked
upon as a new comer on rejoining the Civil Department and as
such he is not in my opinion entitled to any house rent.

4. Surgeon-Major Dymott has already been informed of these
views, but as he still wishes his letter to be submitted to
Government I send it on for orders.

I have the honour to be,

Sir,
Your most obedient Servant,

M. Bateman

FOR ORDERS.

The Ag Surgeon General forwards for
orders a letter from Surgeon Major
Dymott, Ag Surgeon of the 2nd District
praying that he may be allowed to
draw Presidency house rent allowance
from the 14th May '95, the date of his
assuming charge of his present
appointment.

Surgeon Major Dymott points out
that he drew this rent as
Asst. Physician, G. H. H. H. from 14/5/95 to 27/3/96
Resdt Surgeon " " " 28/3/95 to 22/6/96
Ag. Surg. to the Surgeon General " 23/6/96 to 17/6/97
Inspector of H. A. C. & S. " 17/6/97 to 31/10/97
or continuously from the 14th April
till the 31st October 1893 - when finding
no chance of promotion in the
dept he reverted to Militia
being apptd to the 22nd M. S.

In 1894 he rejoined the Civil
dept and was appointed

to act as
Principal Medl. Storekeeper Madras from 15/1/94 to 21/10/94
as D.M. + S.O., Salem - 22/10/94 to 2/5/95
Surgeon Major Dymott assumed
charge of the 2nd District, Madras, sub
prior ten on the 4th May 1895.

He bases his claim to the rent
on para 2 of India's Resolution recorded in
G.O. No. 497 Dind. d/22.6.88 (A), which, while
laying down that medl officers in
civil employ allowed the privilege
of private practice should cease to
draw Residency house rent, expressly
provided that the decision should not
affect those officers who, on the date
of the Resⁿ, held substantively app'ts
entitling them to such rent.

While admitting that, had Dr.
Dymott remained in civil employ,
he would certainly have cont.
to draw house rent, Surgeon Col
Bateman holds that, as he of
his own accord reverted to
military, he can only be
looked upon now as a home
home and as such is not
entitled to the rent.

Dr. Dymott remarks with
reference to the privilege of private

practice, that his present

one, and the fact that Surgeon
Major Browning may at

against any considerable

this source. He adds that

asks nevertheless for the
