18 AUG. 1896

No. 31242 D. 11-11-1896
Your Telegram dated 17- instant regarding Capt. Haughey's services cannot be fixed for more than three months from the date of taking up his work without a reference to his head quarters, if his services are desired for a longer period the L. G. must make a formal application may be made for it to be held. The L. G. in his own mind has decided his absence for so long a period is a year as the work required is about to move to Bellary and involves involving a division into wings.
