SIR,

I have the honour to state that, till a full time Hospital Assistant was sanctioned by Government for the Sub-gail, Calicut in Government Order No 517 Financial, date 13th June 1895, the Hospital Assistant in charge of the Police Hospital at Calicut was occasionally appointed by the Surgeon General to be in additional charge of the Sub gail also, and he was allowed to draw a charge allowance of Rupees 10 per mensem for the additional charge under para 7 of the Resolution of the Government of India embodied in Government order No 120, Public

Dated the 23rd January 1878. On the 31st March 1896, a bill was received from the Surgeon 4th District on account of charge allowance due to Hospital Assistant Muhammad Ebrahim now doing duty under him from 1st August to 15th October 1894 during which period he was in additional charge of the Sub jail, Calicut while attached to the Police hospital at that station. The long delay in preferring the claim was stated to be due to the fact that the Hospital Assistant was stationed at the island of Minicoy after relief at Calicut and could not submit his bill earlier, there being no regular communication between the island and the mainland. This Office returned the bill unpassed with the objection that, under Government Order No. 301 Public C dated 28th February 1896, no allowance in connection with a jail can be passed to a medical subordinate without the sanction of Government. The Surgeon in reply to the objection states that "it is not understood how the Government Order of February 1896 can have retrospective effect as the claim is for August, September, and October 1894 and would have been paid in due course had the bill been submitted

"at the time" Taking into consideration however, the fact that in the case of Hospital Assistant Fernandez whose appointment to the Sub medical charge of the Sub jail at Cotacamund gave rise to the Government Order in question, the charge allowance drawn by him previously was ordered to be recovered, it seems to me that the order should ^{be held} to apply to all similar claims preferred on or after the 28th February 1896 irrespective of the period which the claims cover.

I have the honour to be,
Sir,
Your most obedient servant

The Acct Genl reports that
until G.O. No. 517 d/13.6.95 men-
tioned a full time Hoapl. Asst for
the sub-jail, Calicut, a charge al-
lowance of Rs ten per mensem was,
under India's Resⁿ recorded in G.O. No.
120 Pub d/23.1.78, allowed to the H.A.
in charge of the Police Hospital then
when occasionally appointed by the
Surge Genl to be in additional charge
of the sub-jail.

He has however objected

on behalf of Hoapl Asst. Muhammad
Ebrahim for charge allowance
from 1st August to 15th ^{Oct} ~~Sept~~ 7894

on after the 2nd Feb 1896 in respect of the period which the claim covers.

It is submitted that the ^{claim} ~~charge~~ may be allowed as ^{the apt} ~~was~~ sanctioned by the head of the dept. The order for retrenchment of the allowances drawn by Hopt Asst Fernandez to which the Acct Gen refers, was withdrawn vide f.o. 774 Pubd/31-7-96 (D)

on the ground that f.o. N° 301 Pubd/20.2.96 rules that no allowance in connection with jail can be passed to a medd Sub. without the sanction of Govt. The delay in submitting the bill was due to the fact that the H.A. was stationed at Minicoy after his trip at Calicut & could not submit his bill earlier, there being no regular communication between the island & the mainland. The Surgeon states that "it is not understood how the f.o. of Feb 96 can have retrospective effect as the claim is for Aug, Sept, Oct & October 1894 & would have been paid in due course had the bill been submitted at the time". But the Acct Genl argues that as f.o. 301 Pubd/20.2.96 orders that the allowance granted to Hopt Asst. Fernandez whose apt to the sub medd charge of the sub jail at Ootm cannot give rise to that order - ^{should be ignored} it should be held to apply to all similar claims preferred on or
