Any way, the first thing to be done is to return  
his endorsement to the Agent and tell him to write a letter  
according to rule.

We must approve the site, I suppose, for want of  
a better. Put the cost of the Hospital Assistant's quarters  
must be cut down as much as possible. For instance ( see items  
in estimate)

1. Substitute stone in mud
  2. Put a flat stone across
  3. Substitute batten for panel and venetian.
  4. Omit
  5. Omit latrine altogether. Who is to attend to a latrine  
in such a place ? and fancy using Cuddapah slabs 100  
miles up the Godavari. Was there ever such folly and  
extravagance?
  6. Floor with gravel.
