PETITION

His Excellency
The Governor in Council of
Fort Saint George
Madras.

8535 The humble Mahajar Memorial of
M. K. Chelvasami & others of Thallakulam
Village, Madurai Taluk, Madurai District
Most respectfully sheweth.

That your humble memorialists learn
that the Collector of the District has asked permission
of the Govt. either to purchase the lands within a
distance of half a mile from the officers' newly
proposed Bangalore sites within the race course,
or to prohibit their cultivation with wet crops,
though they are for a very long series of years
classed as wet lands & wet crops cultivation
carried on throughout, for the reason, memorialists
fear, that they will injure the safety and
convenience of the Bangalore residents.

2. That plans & measurements are being
made for the purpose at the orders of the Collector,
though the real object thereof is kept very secret.

3. That, if the object should be true as above
inferred, and if it should be granted by the Govt.,
it would certainly be a very great hardship on the

either for the purchase of the lands or
prohibition of the lands within half a mile
from the Bangalore side from being cultivated
new cultivation
or extended with wet crops or any other
crops.

2nd If the Govt should have reason to
agree with the Collector, to give an oppor-
tunity to the memorialists to know what the
object of the Collector was, and to see the
papers in connection with it, and represent
their appeal against it, before passing
final orders thereon.

3rd To change the Bangalore side to
the waste lands near the shooting ground
if all new Bangalore are necessary.

and thus cherish your poor
memorialists
