FOR ORDERS.

It is not clear under what
orders the Govt. of India desires
that the Surgeon General's
application for privilege leave
should be submitted to it -
perhaps under para 2 of the
Military Dept. Notification of the
16th March 1896.

This notification is, it is
submitted, not quite distinct -
if under it Surgeon General's
leave application should be
submitted to the Govt. of India,
is it to be understood that
leave applications from all
Commissioned Medical officers
in civil employ in this
Presidency should be sub-
mitted to the Govt. of India
also?

Surgeon General

Sibthorpe has already pro-
ceeded on leave. It is
submitted that the Govt. of
India may ~~may~~ be in-
formed that ~~this Govt. has~~

that this Govt. has already granted
the leave and ~~also~~ be asked under
what ruling the application should
be submitted to the Govt. of India

C. No. 2430 & 2801

FOR ORDERS.

The question arises whether a protest sh. be made against the order of India which seems to be derogating to this Govt. - I cannot conceive any reason why this Govt. should not dispose of such matters. The next thing will be that India will claim to interfere with the appointment of leave to members of the Bd. of Rev. & then heads of Dept. under this Govt.

13/8/96

I don't think a protest and re of any use. The Govt. can claim this power as they have direct administrative control & they choose to exercise it.

14/8/96 S. G.
A. G.

I think a protest should be made, not only on the grounds stated by the Hon. Mr. B. but also on the ground that the procedure now laid down will result in a serious loss of time & money.

Surgeon Major General Sibthorpe having already been granted leave, nothing can now be done. The following order is submitted for approval:-

Order.

Recorded with the remark that applications for leave from the Surgeon General ^{with this Govt.} will in future be forwarded to the Govt. of India for orders.

The following letter will be despatched to the Government of India, Home Department.

No. 958

LETTER to

The Secretary to the Govt. of India
Home Department.

Sir,

With reference to the correspondence ending with your telegram No. 680, Medical, dated the 8th instant regarding the grant of privilege leave to the local Surgeon General, I am directed to explain that this Government was aware of the provisions of G.O.C.G. No. 260 of 6th March 1896 but did not gather ^{from these} that there was any necessity to forward an application for privilege leave from an officer under its orders to the Government of India for disposal. Had it done so the protest against the procedure which I am now directed to submit would have been made ere this.

2 His Excellency the Governor in Council, I am to say, not only considers that the course which this Government is now called upon to adopt is derogatory to it, but also that ~~that~~ the procedure laid down will result in waste of time and labour for which there will be no compensating advantages.

. I am to express the hope that in
these circumstances, the Government of
India will not insist on similar ap-
plications being submitted in future
for its orders.
