FOR ORDERS.

* G.O. 30 Pub. d/19.1.93 sanctioned a similar concession in regard to Uriya. vide B

G.O. N° 911 Pubd/28.10.91 sanctioned an increased charge allowance of Rs. (two) per mensem to each Hosp. Asst. not by birth or education a Telugu, who is in charge of a dispensary in a dist. the vernacular of which is Telugu, provided he qualifies colloquially in that language.

In his letter of the 15th May current 1673, the Asst. Genl enquires whether it is the intention of Govt to restrict the allowance to those in independent charge of dispensaries or to extend it to those attached to Jail Hosp. 2 Reserve Medl Subordinates, and 3 to those attached to Collectors' Establishments.

The reference is made in connection with the case of Hosp. Asst P. Vedam who was attending

attached to the District Jail,
Barrampore from August 92 to
March 95, & to the Central Jail,
Coimbatore, during April 95.
and who drew the increased
charge allowance in both dists.

FOR ORDERS.

The J. G. of Prisons considers that
he is not entitled to ^{the allowance} as the order
in question contemplated the grant
only to H. As. in charge of dispensaries.

THE HON'BLE MR. J. GROSE, C.I.E.

The Acct Genl points out that
the H. A. Collier, ^{be} entitled to the grant
while serving in Coimbatore, as the
vernacular of that district is
Tamil, but refers the question
of its admissibility, while the
H. A. was in charge of foot.

The Surgl Genl, ^{like the J. G. of Prisons} is of opinion
(vide para 3 of C. 1673) that the
order applies only to H. As. holding
independent charge of dispensaries.

The reasons for giving this
extra charge allowance are threshed
out in the notes with the original
of the J. G. in question flagged A

It was therein decided that

Charge Allowance
to Hospital Asst.

In the event of foot deciding that the grant shall be restricted to those in independent charge of dispensaries, the Asst Genl asks for orders, viz Dec Art. 972 & Note 1 of the Civil Asst Code for recovering the amount, Rs 63.11.2, overdrawn by H. Asst Vedam, or for writing it off the accounts. But in para 6 of his letter, in C. 1673, he mentions that the H. Asst in question is dead. It would appear therefore that in any case the amount can only be written off.

It is submitted that the allowance should be passed whenever the knowledge of Telugu assists a h.a. in the efficient discharge of his duties, no matter whether his charge be a dispensary, jail, collector's office, or otherwise who are by birth or education (B.O. 911) Telugus should be excluded. There seem to be three such in the list but it is submitted that what they have already drawn under superior authority need not now be retrenched. Sub: that as H.A. P. Vedam is dead the Rs. 63.11.2 may be written off. Four blanks in the statement have not yet been filled out the information wd. not affect general orders.

This seems the fairest arrangement

Yes, the most beneficial to the public service. I really can't have dishonestly drawn Telugu money who have been to the point of this all over known. They were simply drawing it. The attention of the Government should be drawn to the importance of the language of the districts. They have been 19/8/90 25/8/90

Offg. ACCOUNTANT-GENERAL TO THE

GOVERNMENT OF MADRAS,

To

THE Chief Secretary to Government,
Public Department.

SIR,

With reference to Government order No. 911, dated the 28th of October 1891, I have the honour to enquire whether it is the intention of Government that Hospital Assistants attached to Jail Hospitals, Reserve Medical Subordinates, and Hospital Assistants attached to Collectors' Establishments should be allowed to draw the increased charge allowance of Rs 2 per mensem, or whether the allowance should be restricted to Hospital Assistants in independent charge of dispensaries in the Districts. I make the enquiry in connection with the following case.—Hospital Assistant P. Vedam was attached to District Jail, Berhampore, from August 1892 to March and to the Central Jail, Coimbatore during April '9 and drew the increased charge allowance in both districts, but the Inspector General of Prisons considers he is not entitled to it on the ground that the Govern

Order of October 1891 contemplated the grant of the allowance only to Hospital Assistants in charge of dispensaries. There can be no question that the Hospital Assistant is not entitled to the allowance while serving in Beimbatoore, as the vernacular of that district is Tamil, but the question of its admissibility while the Hospital Assistant was serving in the Ganjam district till remains.

3. On this point I made a reference to the Surgeon General, who is of opinion that the order applies only to Hospital Assistants holding independent charge of dispensaries. As the matter is, however, not free from doubt, and I am desirous of having an authoritative ruling thereon, I have thought it best to take the orders of Government.

4. Should Government declare that the Government Order in question does not apply to Hospital Assistants in Jail Hospitals to Reserve Medical Subordinates & the Hospital Assistants attached to Collectors' Establishments I request orders under Article 972 Note 1 of the Civil Account Code for recovering the amount, Rs 63-11-2, overdrawn by Hospital Assistant P. Vedam, or for writing off the accounts.

5. I may mention that the Surgeon General reports that the Hospital Assistant in question is dead.

I have the honour to be,
