Copy of a letter from the Consular Agent
for France to the Superintendent,
Lunatic Asylum, Madras No. 337
dated the 8th July. 1897.

I have the honor to acknowledge receipt of your communication of 6th instant in which you inform me of your intention of sending Mr. Suband to my office in order to put him under my charge. In reply I beg to warn you that I have no means in Madras to look after a lunatic and that consequently it will be quite useless for you to send me Mr. Suband as I altogether refuse to take charge of him.

Our previous correspondence was to the effect that I should look after the sending home of this French subject and that I had wired to his family in order to obtain the necessary funds.

As soon as this money arrives and that I can find him a passage I shall not fail to let you know the time fixed for his going on board as it is absolutely necessary that he should go straight from the hospital to the steamer. I should therefore be obliged if you would keep him in the Asylum where he is looked after and where he cannot do any harm. In any case I formally declare that I refuse to assume the responsibility.

in consequences that may result from Mr.
Pindard leaving the Asylum before a
passage has been provided for him.
