Sir,

In reply to Lt. Col. Benson's letter N^o 7045 C of the 8th June last, I am directed to state that the ~~objection~~ objection to the two insane sons of Pensioned Sergeant C. Marsh ^{can be received} ~~being forwarded~~ into the Madras Lunatic Asylum as non-paying patients.

occupation for Europeans
Rule 67 enumerates a
number of occupations
as suitable for natives
Why some of them,
eg. Carpentering,
should be restricted
to them is not quite
apparent except on
the ground that it
is a sedentary work
except for Europeans
C.W.

In view of the fact
25.7.97 this effort has been
made to get the boys into
asylums at home, but
without success. It is
submitted that para 2
of Mr. S. G.'s letter
appears no action. It
that India may simply
be told that the boys
can be received in the
Madras asylum.

A.K. 26/12/97

Yes.
I am not sure that
the S.G. can meet such a case
better actually on land & send
them? Intentional I think should
be made. There is no place
where we can send them
without having to
pay for them in the
asylum.
