Proceedings of the Board of Revenue

(Revenue Settlement, Land Records and Agriculture.)

Dated 23rd April 1897.

No. 2920 Miscellaneous.

READ. the following letter from the Collector of Bellary,
dated 8th April 1897 Ref on C No. 1341:—

At the instance of the District Medical and Sanitary officer, I have the honour to request that the medical subordinates attached to relief works may be granted horse allowance as they have to travel over a considerable distance to inspect the works. To enable them to do this work properly, they must keep a pony or a cart, and with fodder and grain at famine prices, this is a serious additional expense, but I believe it is already incurred in all cases. I, therefore, recommend

recommend the grant of a horse allowance of Rs 15 per mensem is necessary for each medical subordinate with effect from the commencement of his special duty. Officers in charge of relief works are given this horse allowance and the medical officers have greater need of it than they.

2. I may add that the travelling allowance admissible under the Civil Service Regulations will not meet the case as the medical subordinate usually has his head quarters in the middle of the work and he does not, as a rule, go 5 miles each side of it, though he usually travels well over 5 miles every day.

Resolution

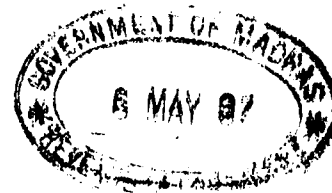

Submitted for the favourable consideration of Government.

I

For Orders

Please see the note for orders in G.O. 796 Pubd 25.6.97, on the Surge Genl's proposal to grant a horse or conveyance allowance to medical subordinates on famine duty in the Bellary district. The Honble Sir Henry Bliss thought it would be simpler to raise the famine allowance of Rs 10 per mensem sanctioned in G.O. N. 217 Finl d 8.3.97 to Rs 20 whenever the Collector certifies that it is necessary for a medical subordinate to hire a conveyance in order to perform his daily duties.

Current 2737 is now submitted for orders. Imit the Board of Rev: forwards a letter from the Collector of Bellary recommending the grant of a horse allowance of Rs 15 a month to each medl subordinate employed on famine duty with effect from the commencement of his special duty. The Asst Genl reports thereon that the horse allowance recommended would require the sanction of the Govt of India under art 1181 C.R. He refers to G.O. 798 M d 5.4.97, and also to G.O. 217 Finl d 8.3.97 with the remark that the allowance sanctioned in these G.O.s is not of the nature of a travelling allowance. The Rev Dept transfers the paper to Public

* side note of the 14th June page after

* This letter is dated 8.4.97, and it merely lays before Govt, through another channel, the same request as was made by the Surge Genl in his letter d 14th May disposed of in G.O. N. 796 Public d 25.6.97. It therefore, is submitted, requires no orders

AK.
2/5/97

I may observe that in its order N. 236 dated 25th March 1897 Home Department - medical communicated in Government Order N. 798 M Local and Municipal dated 5th April 1897, the Government of India has sanctioned the grant of daily deputation allowance to Military Hospital Assistants and Assistant Surgeons on Famine duty, and that in Government Order N. 217 Financial dated 8th March '97, the grant of a charge allowance of Rs 10 has been sanctioned to Civil Hospital Assistants deputed to Famine duty from appointments in which they have received charge allowance. Neither of the above allowances is ^{however} of the nature of a travelling allowance.

I have the honor to be,
Your most obedt servant,
W. Michael
Off. Accountant General.
