TO
THE HON'BLE THE CHIEF SECRETARY TO GOVERNMENT,
FORT ST. GEORGE.

I have the honor to request that the Government will be pleased to sanction a revision of my office establishment and that of the Persian and Hindustani Translator to Government and Examiners in Hindustani as shown in the enclosed proposition statement.

2. Subsequent to the revision of establishments sanctioned by G. O. No 957, Public, dated 12th November 1895, the Command in Chief in India at the instance of the Deputy Adjutant General Madras Command, altered the procedure under which examinations in this Presidency and Burmah by the Higher and Lower Standards in Hindustani.

had previously been conducted.

Under the revised procedure the whole of the correspondence with Officers Commanding Districts, Heads of Departments and individual candidates which had, up to that time, formed a portion of the work of the Military Department, was transferred to this office and, as these examinations are held quarterly at all Military Stations where there may be candidates, there has been a considerable increase in the correspondence work of my office.

4. My establishment (excluding the Secretary) consists of one clerk and a copyist but, in order to cope with the increased work, it has been found necessary to assign to the latter more responsible duties than mere copying. He is an intelligent man who was selected from the staff of the Board of Revenue and has shown aptitude in making himself acquainted with the records and general routine of the office, that should the clerk fall sick or go on leave, he could be trusted to take his place.

I have proposed therefore to style him a clerk and to fix his pay

pay at Rs 25 rising to Rs 40 by annual increments of Rs 3.

6. I have also proposed that the pay of the other clerk shall be fixed at Rs 60 rising to Rs 85 by annual increments of Rs 5. As this clerk is now drawing Rs 75 he will not become entitled to an increase until after the lapse of four years. He is an intelligent and trustworthy clerk who has been favorably reported on by every President under whom he has worked.

7. It will be seen that the proposition does not involve a fresh allotment of funds but merely the transfer to my office of a monthly sum of Rs 30 sanctioned under the G. O. quoted in para 2 supra as the pay of the Examiner's Munshi. This sum has never been drawn as it was found that the work of the Examiner's office could be effectively carried on without this munshi and, on my application, Mr. Rees has consented to its transfer to my office.

Should

Should my recommenda-
tion be sanctioned, the only
immediate increase of expend-
iture will be Rs. 5 per mensem.

I have the honor to be,

Sir,

Your most obedient servant,

Thos. Smith

President.

Revision of the office establishment of
the Board of Examiners

FOR ORDERS.

Attention is invited to the proposition statement at page 3 of G.O.No. 957, d/ 19th Novr. 1895, which shews the existing establishments of the Persian and Hindustani Translator and Examiner in Hindustani and the President of the Board of Examiners. The Rs.30 allowed to the Examiner in Hindustani for a manshi has not been ~~expended~~ up to date and the President of the Board of Examiners proposes to utilize it by converting his copyist on Rs.20 into a clerk on Rs.25-40. He explains (in the current) that the necessity for a second clerk is due to increased duties in connection with military examinations. Mr. Sturrock further proposes that the pay of his other clerk should be raised from Rs.50-5-75 to Rs.60-5-85 and explains that as the incumbent draws Rs.75 he will not be entitled to his first increment for years. He was permitted to draw the maximum pay of his appointment when

it was increased in 1895 -vide
marginal note in the proposition state-
ment. The Acct. Genl. remarks on the
proposition statement that the increase
really ^{and} Rs.26/4 per mensem is within the
sanctioning powers of this Govt. It will
however
be seen from the proposition statement
that the Rs.30 for a munshi was to be met
wholly by Imperial funds and that the
pay of the copyist on Rs.20 was to be
shared by Imperial and Provincial. The
present proposal therefore amounts to
taking Rs.13/2 out of the Rs.30 which
at present forms a saving to Imperial,
which would still be Rs.16/1 to the
good. But as it appears from the
President's letter that the proposed
increase ^{is} necessitated solely in
connection with military examinations
it is submitted that Imperial should be
asked to pay the ~~the~~ Rs.26/4
and to accept in exchange the munshi's
appointment on Rs.30 which is apparently
not required. India's attention should
be drawn to the increase in the
Head Clerk's pay, for when it takes
effect Imperial will have to bear 50
per cent of it in any case.

Note.
This increase is included in
the Rs 26.4 mentioned above.
The proposition statement shows
that, if the Rs 26.4, Rs 10 goes
towards the increase in the
Head Clerk's pay.
