District and Sessions Court,
Mumool, 4th July 1897

From

A. D. D. Harding Esquire,
Ag. District and Sessions Judge
Mumool.

To,

The Chief Secretary
to the Government of
Fort St. George,
Pottacamund

Sir,

With reference to your Memo
No. 427 dated 10-7-97 informing me
that I cannot be granted furlough
on medical certificate unless I produce
the certificate of a Medical Board, I
have the honour to point out that
I am now recovered and am taking
charge today. Mr. Oldfield starts
tomorrow for Vijayapatam on Famine
duty. I do not therefore see how it is
possible for me to attend a Medical
Board. Also since all that is now
visible is a small scar on my head
it would not be possible for any
number of medical men to certify from
the appearance of that scar that 22 days
ago I required 22 days leave. One might
get a similar looking or worse scar with

being invalidated for more than a few hours.
I have therefore the honour to submit
that not only would my appearance
before a Medical Board seriously
incommode both myself and the public
(by closing this Court again for a few
days) but it could not possibly serve
the purpose for which it is required.

2. Under these circumstances
I beg to ask that leave may be granted
me under section 348 of the Civil Service
Regulations as being special leave on
urgent private affairs. I could not
appear before a Board at a time when
the Board could have formed an opinion.
It is useless to appear now. Nevertheless
I was in fact unconscious or nearly
so for about two days, and it is only
the last two days that I have been
free from headache and fit to perform
my duties again. Leave of some sort
therefore must be granted and has
been taken and as no general leave
rules seem to meet the case, I respectfully
submit that section 348 is exactly the
section to apply. The circumstances
are special and special leave seems
necessary. Naturally I am sorry to
have to apply for such leave for such
a trivial purpose but do not see any
other way out of the difficulty. I have

the honour also to request in conclusion
that Government may be pleased to
pass orders on the matter as soon as
possible as I am unable to draw any
pay for June pending their orders. Having
recently returned from long turlough
I have no large balance at my bankers
and in another few days will be in urgent
need of money.

I have the honour to be,
— Sir,
Your most obedient servant

Dear Mr. Prisc.

about my leave
it is suggested that a medical
Board may be a proper affair.

In other words that two doctors
in Madras would be able to
board without seeing me

at all & could make their
recommendation solely on
information supplied by
the doctor here. Seeing me
would certainly be a waste.

I would rather have
any law on medical art.
otherwise I am afraid I can't
go through. I am still
fourth case of June Session
to hear. Not mentioned
8th of July. I have a crowd of
witnesses who have already
been waiting some weeks.
I cannot ask them to wait
longer in order to take
a journey to Madras which
would be really useless.
If a Board can be a

Much obliged if you could

I presume it can be passed
