NOTE FOR THE ~~UNDER~~ SECRETARY

The D.A.G. returns the record of services of Captain Brunker sent him with G.O.R.No. 705, Public, dated 6th July 1897 as "it is not required for record" in his office.

In all the previous cases with the single exception commented on below the papers have always been returned to the D.A.G.

Six recent G.O.'s. are put up in proof of this statement

Again in ^{para 27} his Endt. flagged A in G.O. 194, Public, dated 6th February 1896 the D.A.G. distinctly asks for ~~the~~ Lt. Pike's papers to be returned, and so at C- G.O. R.No. ~~531~~ Public, dated 2nd May 1896, though in the latter case as all the papers were returned we cannot prove this owing to the practice in the D.A.G.'s office of sometimes ^{writing} ~~counting~~ the endorsement on the back of the papers to be forwarded.

If then the records in Brunker's ^{case} are kept by us ^{as sent to the Mil. Secy,} the question naturally arises what about the records in all the above cases.?

It is true that, with the Manager's private letter to the Chief Assistant-
flagged in G.O. 496, Public, dated 28th April 1896 Captain FitzPay's record ^{of service} was returned. But this is an isolated case and the letter in question is not an official communication, and as far as ^{can} ~~may~~ be

motu.

There is not the slightest objec-
on to sending the ~~paper~~ to the Mili-
tary Secretary instead, if this is the
proper procedure, and very probably it is.
But the D.A.G. should in that case be
consistent, and should, if it is submitted, have
returned all such records of previous ap-
plicants.

There is nothing whatever to show
that the D.A.G. has passed on ^{to} records ^{service} in
previous cases to the Military Secretary,
and there is the distinct request at ^A
that the papers should be returned ^{to him}. This
request has frequently been repeated.

But unfortunately as everything was sent
back to him, or passed on to other Govts.

it is not easy to prove this. It is just
possible that the D.A.G. may want the re-
cords in some cases and not in others.

But if so, it is, it is submitted, his busi-
ness to say so. The D.A.G's. (or his

Manager's) mere ipse dixit that the records

in this case are not required is not, it is

submitted, sufficient. *in view of the fact that in so many cases he has*
kept them.

Submitted that he may be asked ~~by~~

~~telephone~~ to come to some clear under-

standing in the matter.

message (attached) is
