SIR,

I have the honor to submit (a)
copy of letter No. 111 dated 22nd July
1897 from Mr. A. M. Arumachala
Vasanthakrishna Vaidyanatha
Sakkariah Pandaraya ayyal,
Zemindar of Vettavalam, and the
illuminated address therein refer-
red to which the Zemindar re-
quest to may be transmitted to
Her Most Gracious Majesty the
Queen Empress of India.

2. The copy of the address which
the Zemindar has submitted to me.

The Governor would be pleased to accept, is being forwarded to the Private Secretary.

3. The Zemindar is one of the few native gentlemen in this District selected to receive one of the Jubilee Certificates. He was specially invited by me to attend the local Durbar which I held on the 22nd June 1897. He attended with his retinue and was pleased to learn that Government had resolved to mark him out for distinction. The Zemindars of Vettavalam have always been conspicuous for loyalty and have ever been ready to help the Ruling Power to put down disorder and rebellion. It was for good services rendered in clearing his path of the Country of the bandits by whom it was infested that the original holder of the Vettavalam Estate

— Estate was, more than 200 years ago, granted this property by the Native Government of that time. From the cession of the Carnatic to the British Government, the Vettavalam Zemindars have often rendered similar services and the present Zemindar would doubtless follow the good example of his ancestors should necessity arise. His administration of his Estate is satisfactory and his tenants are not, like those in some zemindaries, constantly to be found involved in litigation. His spontaneous desire on the part of the present Zemindar to approach the throne and person of his Sovereign with a loyal and dutiful address on his own behalf and that of his people is highly creditable to him and in doing so, he is following

So. 20° 962 Pubd 17th
July '97 (L) regarding
addresses received
too late for transmission

Orders are solicited
whether the present address
is to be sent on. There
is nothing objectionable
in it and the
Collector recommends
its transmission.
On the other hand this is
from a public body
C.O. vide telegram at
27/8/97. That telegram leaves it
to this Govt. to decide whether
the present address should be
forwarded or not. It
hardly says that the Govt.
need not forward
such addresses "unless it
thinks fit."
