ENGLAND,

DECEMBER 9TH, 1896.

DEAR SIR,

The Anglo-Armenian Association, of which I am President, is desirous of obtaining such information as will enable it to arrive at an approximate estimate of the number of Armenians scattered throughout the world, outside the limits of the Turkish, Russian, and Persian Empires.

I should be much obliged if you would kindly inform me whether there are any Armenians in *Mader* and, if so, what is their probable number? It would be useful if you would mention whether your reply is based upon personal knowledge, or upon connected hearsay evidence, or upon official statistics. Should you be unable to send an answer yourself, would you be so good as to hand this letter to some person who would be in a position to do so.

I should also be glad to receive any information with regard to the occupations of the Armenians in *Mader* — stating, for example, the approximate proportions engaged in agriculture, in commerce, and in industry, or in the legal, medical, and teaching professions, and also adding whether any of them occupy official positions.

Apologizing for any trouble to which you may be put by this request, and thanking you in advance for your reply, I beg to remain,

Yours faithfully,

FRANCIS SEYMOUR STEVENSON.

To the Chief Secretary to the Madras Govt.

CHIEF SECRETARY

MADRAS

Le président de l'association anglo-arménienne, dont je suis le président, désire obtenir des informations qui lui permettent d'évaluer d'une manière approximative le nombre des Arméniens qui se trouvent dispersés à travers les différents pays du monde, en dehors de la Turquie, de la Russie, et de la Perse.

Voudriez-vous avoir l'obligeance de m'informer s'il y a des Arméniens en *Mader* et, dans ce cas-là, quel en est à peu près le nombre? Pour être ajoutez-vous en même temps si la réponse que vous voudrez bien me faire est le résultat de vos propres observations, ou si elle fondée soit sur des oui-dire rassemblés et comparés, soit sur des statistiques officielles. S'il vous est impossible de répondre vous-même à ces questions, veuillez remettre cette lettre à quelqu'un qui soit à même de me fournir les indications nécessaires. Il nous serait utile, aussi, de savoir quelles sont, en général, les occupations des Arméniens en

Dans quelle proportion, par exemple, sont-ils cultivateurs, ou négociants, ou industriels? Trouve-t-on parmi eux des médecins, ou des avocats ou des professeurs? Y en a-t-il dans les bureaux de l'administration?

Je vous prie, Monsieur, d'excuser la liberté que je prends en vous adressant ces questions, et vous remercie d'avance pour la peine que vous voudrez bien vous donner. Agréez, en attendant, l'assurance de ma considération très-distinguée.

FRANCIS SEYMOUR STEVENSON.
