SURGEON-GENERAL WITH THE

To

THE HON'BLE THE CHIEF SECRETARY TO GOVERNMENT,

SIR,

1. Directing that the Military
Surgeons who were tem-
porarily entertained to fill the
vacancies caused by the with-
drawal of Warrant Medical
Surgeons for Military duty be
discharged but that the
vacancies of six of the seven Civil
Assistant Surgeons then engaged
be retained.

2. Sanctioning the re-
tention, until further orders,
of the seventh temporary Civil
Assistant Surgeon mentioned in
G.O. No. 413, Pub. D. 25 March 1896.

I have the honor to state that whenever, owing to
the exigencies of the service, there is a change of appoint-
ment amongst the temporary Civil Assistant Surgeons sanc-
tioned in G.O. Nos. 413 and 474, Public, dated the 25th
March and 21st April 1896 respectively, the Accountant
General disallows pay during transit on the ground that
they are only temporary hands.

2. Such procedure not only subjects them to monetary
loss but causes breaks in their service which will consi-
derably affect their interests in the event of any of
them being confirmed in their appointments on the occurrence
of vacancies.

3. I therefore request that under the provisions of
article 208, Civil Service Regulations, Government will be
pleased to direct the Accountant General to admit transit
pay in such cases and with retrospective effect in the
case of temporary Civil Assistant Surgeon Pereira whose
transit pay from 4th to 6th March 1896, from 11th to 16th
April 1896, and for the 1st August 1896 has been disallowe

I have the honor to be,
Sir,
Your most obedient servant,

Forwarded to Government.

2. Ordinarily a Temporary Officer draws pay so long as he holds an appointment. When therefore he is transferred from one appointment to another he is treated as without an appointment while in transit in the absence of special orders from Government passed under Article 208 of the Civil Service Regulations. It however, it is the intention of Government that these Temporary Civil Assistant Surgeons be considered as a Reserve Staff entitled to pay whether doing duty or not. Then clearly they will be entitled to allowances during transit just as much as when they are doing nothing. On hearing that this is the Government view, I will in these ^{cases} ~~circumstances~~ pass them both pay and travelling allowance.

Temporary Surgeons.

FOR ORDERS.

This may be approved & we certainly can't afford to ^{also} discharge any of these men just at present.

BS

This matter will be pushed on BS

In his letter of the 2nd December the Surgeon-General states that the seven temporary Civil Assistant Surgeons will be required until orders are passed on his proposals for the re-organisation of the Sub Medical department. ^{These proposals} They are lying over pending the settlement of the various questions relating to the re-organisation of the Medical College. An Educational department G.O. on the subject issued late last year and the Public department file connected with it is receiving the Chief Secretary's attention.

In his letter of the 10th December the Surgeon-General requests that pay may be passed to the seven temporary men during transit from one appointment to another. The Accountant General states in his Endorsement d/16-12-96 that he is prepared to pass it if the men are considered to form a Reserve Staff.

The G.O's quoted are not at present available, but full abstracts of them are given in the margin of the current. These temporary men were for employment

in

in sanctioned appointments", but no particular appointments were specified. It is submitted therefore that they are of the nature of a Reserve Staff and that the Accountant-General may be authorised under article 208 Civil Service Regulations to pass their pay during transit.
