NOTE FOR THE CHIEF SECRETARY.

When a civilian dies does not get full care that his people have been informed & also report it home to Sec. of State. Nothing has apparently been done in Mr. Williams' case. Are you waiting an official report? And how it is so good to know that Mr. Taylor has done what was necessary.

NOTE FOR THE CHIEF SECRETARY.

The only thing that has been done for the past eight years, so far as my recollection serves me, is to report to the Secretary of State. This is being done in Mr. Williams' case & despatch to the S. of S. has been passed some days ago and is printing.

It would certainly be better to the relations to see that somebody takes action & I will suggest a telegram to Mr. Taylor. Will you please return this note.

Sir, I regret to report that Mr. A.B. Willmott
Senior Assistant Collector Berhampore Division
is seriously ill with acute dysentery. As he
has been again placed on the sick list, I have
placed Mr. R. Ashe as Collector in charge of
the current duties of his office.

2. It will be necessary, should he recover
from his illness, that Mr. Willmott should
proceed to Europe on sick leave. As Mr. Ashe
is thoroughly competent to discharge the duties
of a Divisional officer and is now so thoroughly
conversant with the condition of the Berhampore
Division (having practically been in charge for
two months) I request that he may be
permitted to remain undisturbed.

3. I have already applied for his exemption
from the completion of the Test according to
the lower standard under the special cir-
cumstances of the case.

I have &c
