GOVERNMENT OF MADRAS.

PUBLIC DEPARTMENT.

READ--the following paper :--

From L. M. THORNTON, Esq., Deputy Secretary to the Government of India, Home Department (Examinations), to the Chief Secretary to the Government of Madras, dated Simla, 17th July 1897, No. 252.

I am directed to acknowledge the receipt of your letter, No. 528 (Public), dated the 7th May last, forwarding a copy of the Proceedings of the Government of Madras containing a revised issue of the rules for the examination, in the Vernacular languages, of European and Eurasian Civil officers of Government.

2. The Governor-General in Council observes that rule 22 of the revised rules provides for the grant of a munshi allowance of Rs. 240 to officers of the third class passing the third-class test in a second vernacular. I am directed, with reference to this rule, to invite attention to the orders contained in the letter from this department, No. 200, dated 19th April 1895, which required that the previous sanction of the Government of India should be obtained to any change of the rules which involved an increase of expenditure on rewards. Though the change effected by rule 22 does not technically involve an increase in expenditure on rewards, I am to say that the effect of the change of rule is such as it was intended to cover by the orders of 1895 above quoted; and, in now conveying the sanction of the Government of India to the alterations in the rules, I am to request that, with the permission of the Governor in Council, any change of a nature which, like that contained in rule 22, involves an increase of expenditure connected with the passing of the examination, may be in future referred for the previous sanction of the Governor in Council.
