It is submitted that ~~He~~ ^{she} should not be troubled with this & that the allowance may be passed. The man had to learn the language which he did and it was hard to refuse him the allowance because it was sanctioned subsequently.

The case is one which I do not feel myself able to decide as it may be taken as a precedent. I consider that the man ought to be granted the concession. He is a non Telugu and was not educated in Telugu. He took the trouble to learn the language & to become proficient in it. He does not seem just after he has taken the trouble to do this to refuse him the allowance.

Thos W. S. Meyer Esqr.
Acting Collector of Mellone.

To The Chief Secretary to Government
Public Department

Sir,
With reference to the increased
charge allowance sanctioned to Hospital
Assistants in Telugu districts under G.O.'s
No 911 Public and No 961 Public I have the
28th Oct 1891 5th Sept 1896
honour to request orders on the following case

2. The allowance has recently been
applied for by Brijan Singh, 1st class
Hospital assistant, in charge of the
Civil Hospital, Mellone Town. This gentleman
is a man, though by birth and education a
West Coast man, has been in Mellone for
the last 10 years, (i.e.) 13 years prior to the issue

of the first Go above mentioned. He speaks
Telugu like a native and is therefore tech-
nically entitled, under the orders in question,
to the increased charge allowance of Rs 2 per
month which was granted to encourage non
Telugu hospital assistants stationed in Telugu
districts to master that language. In view
however of the fact that he was to all intents
and purposes a naturalised Nallurian,
before these orders were issued I venture to
think that such a case as his was not one
within the contemplation of Government, and
accordingly request instructions as to whether
I am to pass the extra allowance that he claims.

I have the honor to be
Sir
Your most obedient servant
