HIS EXCELLENCY SIR ARTHUR ELIBANK HAVELOCK,
G.C.M.G., G.C.I.E.,
Governor and President in Council,
OOTACAMUND.

THE HUMBLE MEMORIAL OF LATE 2ND CLASS
 CIVIL HOSPITAL ASSISTANT, G. MAURIAP-
 PAN, No. 224, NORTH STATION HOSPITAL,
 TRIMULGHERRY, SECUNDERABAD AND
 NOW IN CHARGE OF THE HAMNETT DIS-
 PENSARY, KANDAL, OOTACAMUND.

MAY IT PLEASE YOUR EXCELLENCY,

Your Excellency's humble memorialist feeling quite confident that any representation made to your Excellency the Governor-in-Council affecting the well being of Your Loyal subjects will receive careful consideration and ready redress at your hands, especially now during the occasion of the ensuing Diamond Jubilee of Her Most Gracious Majesty the Queen Empress of India, begs to approach Your Excellency with a brief representation of the circumstances of his most unfortunate case and begs that due justice will be meted out. If your humble memorialist had not good and sufficient grounds in support of his just causes and if he did not consider himself grievously aggrieved and injured consequent upon the miscarriage of justice would not have approached Your Excellency.

1. That your memorialist was a 2nd class Civil Hospital Assistant on Rs. 35 and did duty as a Military Hospital Assistant on Rs. 40 per mensem at North Station Hospital, Trimulgherry, till the close of 1890 when he was invalided on a pension of Rs. 5-10-1 (a sum quite inadequate for the upkeep of himself and his family). During a service of 12 years, he was sent twice on Military duty to Secunderabad as well as on cholera duty to the Districts of Salem, Bellary and Kurnool.

2. That while on Military duty, he was ill from the effects of temporary mental aberration which accrued from his over study for the first Class promotion examination in which he was successful, and in consequence he was made to appear before a Medical Board at Secunderabad, the result of which was that he was sent to the Lunatic Asylum at Madras for observation where he was kept as an inmate for a period of 8 months and then discharged recovered (vide certificate A) enclosed. Your humble memorialist should have at the time of his mental aberration when pronounced so by the Medical Board been sent to the Asylum on sick leave so that if he did not recover within the two years laid down by regulations should have been invalided.

3. That your humble memorialist begs to point out that there was no relapse of the disease, after his discharge from the Asylum, while on the other hand, he is keeping good health since 1891 and when in the Lunatic Asylum rendered very great assistance in the compounding and dressing rooms, &c. (vide certificate B from Civil Apothecary, Mr. A. Xavier, L.M.S.) enclosed. In the year 1894, your memorialist was recommended by the Accountant-General to the Surgeon-General with the Government of Madras for re-instatement and cancelment

of pension. But to the memorialist's misfortune, he heard nothing more of it, your humble memorialist, therefore, craves leave that a reference be made to the Accountant-General in connection therewith. The memorialist has also served in the Natal Emigration Depôt, Madras (vide certificate C) enclosed and in July 1892 proceeded to Natal in sub-medical charge of 500 *Emigrants* and returned to Madras. He is at present in medical charge of the Hamnett Dispensary, at Kandal, Ootacamund, since December 1895 where he is discharging his duties satisfactorily. A reference to the Quarterly and Annual Returns and Reports of the Hamnett Dispensary for years 1895-96 submitted through the Civil Surgeon, Ootacamund, to the Surgeon-General with the Government of Madras will prove your Memorialist's statement that he is now in sound mind.

4. The memorialist craves that orders may issue for his appearance before a medical Board which may be convened either at Ootacamund or at Madras and if at the latter station, he is prepared to undergo the necessary expenses.

5. In putting forward the above circumstances before Your Excellency the memorialist humbly begs to submit that he craves being reinstated in his former appointment in the same status held by him before he was invalidated and that he may be exempted from again passing the first class promotion examination.

6. The humble memorialist prays that in consideration of his young age, energy, and trifling pension, Your Excellency in Council will graciously be pleased to take his pitiful case into consideration and grant him his request, for which act of charity and benevolence, your humble memorialist's heart shall ever throb with the pulsation of gratitude as long as he lives.

Your Excellency's most humble servant,

G. Manisford

2nd class Pensioned Hospital Assistant,

and now in charge of the "Hamnett Dispensary",
Kandal, Ootacamund.

THE HON'BLE THE CHIEF SECRETARY TO GOVERNMENT,

Public DEPARTMENT

SIR,

I have the honor to transmit the accompanying Memorial from G. Manriappan, late 2nd Class Civil Hospital Assistant, Madras Sub. Medical Department.

2. This man was invalidated by a Medical Board for insanity after a period of observation at the Madras Lunatic Asylum and I cannot recommend his reinstatement in service as there will be an ever-present danger of a return of his affection.

3. With reference to para 3 of the Memorial, the Accountant-General in his letter to this office dated 25th May 1893 regarding the question as to whether the Hospital Assistant could be allowed to draw his pension ~ himself, suggested whether in view of his statement that he had fully recovered from his sickness, he could not be ~ examined again as to his fitness or otherwise for the public service, and he was informed in reply that the Hospital Assistant could not be re-admitted

into the service as recovered cases of in-
-solvency are liable to relapse.

IN ORDER OF THE GOVERNMENT, S. No. 1223.

A.O.I.E.

Subject

Petition from an invalided hospital
Assistant praying for re-instatement.

FOR ORDERS

Petitioner J. Mauriappen was a Second
class Civil Hospital Assistant on L. 35
per Jensen, and did duty as a Military
Hospital Assistant on L. 40 at North Sta-
tion Hospital, Tripulsherry. Becoming in-
sane in 1890, while on Military duty, he
was invalided and retired on a pension
of L. 5-10-1 by a Medical Board after a
period of observation at the Madras
Lunatic Asylum. He, however, recovered
within eight months and was discharged
from the Asylum in 1891. (Vide certifi-
cate A enclosed).

Note

He had served for about
15 years before he became
insane.

He states that he has had no relaps
of the disease; that while in the Asylum
he rendered great assistance in the com-
pounding and dressing rooms (vide certi-
ficate B); that he has served in the Natal
Immigration Depot, Madras, (certificate C);
and that in July 1892¹ proceeded to Natal
in Sub-medical charge of 500 emigrants.
He is at present in Medical charge of
the Amnett Dispensary at Mandal, Ootaca-
mund, where he states, he is discharging
his duties satisfactorily. He refers
the reports of that Institution for a
year 1892-93 as proof of his sanity.

as an Asst Compounder

not available

prays that he may be ordered to be examined by a Medical Board, and if found fit for service re-instated in his former appointment.

The Surgeon General, through whom the petition is submitted, states that he cannot recommend the petitioner's re-instatement in service as there will be an ever present danger of a return of his affection.

With reference to the petitioner's statement in para. 2 of memorial that in 1881 the Accountant General recommended his re-instatement, the Surgeon General explains that in 1880 when the question of petitioner's being allowed to draw his pension in person arose, the Accountant General enquired whether he could not be examined again as to his fitness for the public service and was told in reply that the Hospital Assistant could not be readmitted into Govt. Service, as recovered cases of insanity are liable to relapse.

Notes are solicited. His ob.
- served that the Surgeon General says nothing about the desirability or otherwise of the Hammett Dispensary authorities employing a recovered lunatic.

W. Submitted that his view
7.97 of the Surgeon General
should be accepted.

* Flagged M N P & Q

This case has been detained as I wish to see any papers that there were as regards the petitioner's previous history. That there are have been obtained and are now put up. From the papers Flagged P it will be seen that the attack of 1890 was not the first as the petitioner was in the Lunatic Asylum from May/87 to Feb/88. He apparently remained sane for a couple of years and then went mad again. Upon this occasion he has been sane for a considerable period but having once had on a previous occasion a relapse there seems no assurance that he will not have another. The professional opinion is that he should not

submitted that this must be
 accepted.
 Should the municipality be informed
 of the better known history:
 it is quite possible that it is
 already aware of it
