Mr. R. W. D'E. Ashe, I.C.S.

Considering — to have passed the Lower Standard Examination, but declining to grant any allowances to him as Famine Special Assistant with effect from 1st June 1897.

GOVERNMENT OF MADRAS.

PUBLIC DEPARTMENT.

Read—the following papers :—

Proceedings of the Board of Revenue (Land Revenue), Mis. No. 2969, dated 10th August 1897.

From R. W. D'E. ASHE, Esq., Assistant Collector, Ganjām, to the Collector of Ganjām, dated Camp, Balupada, 30th July 1897, Ref. No. 70-II. C.

I have the honour to draw your attention to the following points.

2. I have been engaged in famine work, or specially heavy magisterial work (in order to relieve other officers from their routine duties) since October last.

3. During this time I have also had charge of the Senior Assistant Collector's office for the greater part of June and am now again in charge.

4. I passed all the subjects of the Lower Standard for which I entered before the famine, leaving only Language and Revenue.

5. Whilst engaged in famine work, I have not had sufficient opportunity to read for these subjects, but I have had considerable experience in the language as I have to carry on famine business constantly without any help from English-speaking natives.

6. I think, therefore, that I am justified in applying through you for exemption from the remainder of this examination. Experience of famine work is, perhaps, as valuable in this district at present as a little extra revenue experience.

Endt. on C. No. 1452-Eng.

Forwarded to Government, through the President, Board of Examiners, for very favourable consideration.

2. What Mr. Ashe states is perfectly true, and, certainly, since I have been in charge of the district, he has had no leisure whatever for reading up for examination purposes. A similar concession was, I believe, granted to officers engaged in this district on famine work in 1889.

3. Mr. Ashe has rendered invaluable service. He is, in my opinion, fully competent to discharge the duties of Divisional officer; in fact, he has been practically discharging those duties for two months.

He is quite capable of carrying on an intelligent conversation in Telugu, notwithstanding the fact that he has been handicapped by the fact that Uriya is the chief language of the northern part of the district.

4. I request that the exemption may be sanctioned. I would also strongly recommend that Mr. Ashe be granted special allowances as Famine Special Assistant Collector with effect from 1st June 1897.

BERHAMPUR,
31st July 1897.

(Signed) H. D. TAYLOR,
Acting Collector.

From J. STURROCK, Esq., President, Board of Examiners, to the Chief Secretary to Government, dated Madras, 18th August 1897, No. 451.

Submitted for the favourable consideration of Government.

2. A precedent will be found in G.O., No. 587, Public, dated 16th August 1890.

3. When Mr. Ashe appeared for examination in January last, he obtained $\frac{62}{160}$ or 38.8 per cent. of full marks in Revenue and $\frac{75}{160}$ or 46.9 per cent. of full marks in Language. His strong point was conversation, in which he obtained $\frac{35}{50}$ or 70 per cent. of full marks, 70 being the percentage required for a pass.

ORDER—No. 1115, Public, dated 25th August 1897.

Under the circumstances mentioned by the Collector of Ganjām, His Excellency the Governor in Council is pleased to direct that Mr. Robert William D'Estcourt Ashe, I.C.S., shall be considered to have passed the Lower Standard Examination. The Government does not consider, however, that Mr. Ashe is entitled, in addition to the concession which is now made, to any special allowances from 1st June 1897 as proposed by the Collector.

Dated Camp Berhampore 1st August 1897

Sir,

I regret to report that Mr. A. B. Willimott
Senior Assistant Collector Berhampore Division
is seriously ill with acute dysentery. As he
has been again placed on the sick list, I
have placed Mr. R. Ashe asst. Collector in
charge of the current duties of his office.

2. It will be necessary, should he recover
from his illness, that Mr. Willimott should
proceed to Europe on sick leave. As Mr. Ashe
is thoroughly competent to discharge the duties
of a divisional officer and is now so thoroughly
conversant with the condition of the Berhampore
Division (having practically been in charge for
two months) I request that he may be permitted
to remain undisturbed.

3. I have already applied for his exemption
from

from the completion of the Test according to
the lower standard under the special cir-
-cumstances of the case.

My dear Mr. [unclear]  AUG. 1897
for you. letter

of 4 inst. Boko has practically been in charge of the Balakrishna Division for two months and knows it thoroughly, so I have no doubt he will do well there. He certainly will be more useful than a total stranger.

Poor Willinott had an unlovely time up here. He got severe sun fever which kept him down for five weeks soon after joining, and then got a chill resulting in severe dysentery, owing to rain on the first march.

is got better.
I have already recommended Asha
for promotion from completing
in lower standard. This was
I think a case in the case of
H. M. Stone and others in 1889.
As for since I have had but
little chance of reading up
Revenue work, and was not
allowed by the Board of Examiners
to show locally in language
examination, in which I
think he would have passed
all right in spite of his
being handicapped by an

English translation.

There is another point which
I have not mentioned in my mind, and

that is why I have myself
been passed over for permanent
promotion to Sub collector's post.
in favor of Butterworth, as the
post of P. A. Collector Saccain
has been permanently vacant
since my return from leave.
It seems rather hard to be passed
over after 10 years' malik
service, when I have committed
any fault of which I am
ignorant.

We have had good rain here
and prospects are favorable
except in Poonow. Pedda
Kundi while the rain seems

I have passed over.

He did not apparently appear for the last exam. as he has been in charge of the Senior Asst's division since June.
