OFFICE OF THE INSPECTOR-GENERAL OF PRISONS, MADRAS.
Dated Ootacamund, the 9th August 1897.

From

A. G. CARDEW, Esq., M.A., J.C.S.,

INSPECTOR-GENERAL OF PRISONS,

MADRAS,

To

THE HONOURABLE MR. J.F. PRICE, C.S.I.,

CHIEF SECRETARY TO GOVERNMENT,

SIR,

In reply to Public Department Memorandum No.

1662, dated 7th Instant I have the honour to state that Surgeon Captains Fearnside and Molesworth cannot be removed from the Central Jails of which they hold charge without very great inconvenience.

2. As regards Surgeon Captain Fearnside, his removal would have an extremely injurious effect on the Rajahmundry Central Jail, the health of which is slowly recovering from the disastrous effects of the regime of Mr. Young and Surgeon Major Sarkies. To handover the Medical Charge of this Jail to the latter gentleman, as the Memorandum under reply suggests, would have fatal results. As regards Surgeon Captain Molesworth, his with-

from a medical point of view, would involve grave inconvenience in other respects, as the Jail has large Commissariat and other Contracts on hand.

3. It will be seen from G.O. No. 780, Public, dated 13th September 1895 that the two Jail Medical Officers are not liable to be indented on for active service until the officers holding the twelve other specified appointments have been called out.

I have the honour to be,

Sir,

Your most obedient servant,

Sy Cardew.

To

THE HON'BLE THE CHIEF SECRETARY TO GOVERNMENT,

Public DEPARTMENT.

SIR,

With reference to G.O. No.1051, Public, dated 7th August 1897 and in continuation of my telegram of yesterday's date, I have the honor to state that Surgeon-Captains Macrae and Mitter and Surgeon-Lieutenants Illington and Browne have already proceeded to Rowalpindi.

2. Arrangements have also been made for temporarily filling the plague inspection stations by Retired Military Senior Assistant Surgeons, and Cochin by a Civil Assistant Surgeon on the effective list.

3. As regards para 2 of the G.O., I have to state that in warning officers for field service I was exclusively guided by the principle laid down by the Government of India in their letters printed in Madras Confidential G.O. No.685, Public, of 30th June and No.1025, Public, of 21st September 1896 - viz. that officers should be selected by juniority, taking them in order from the bottom of the list.

4. Regarding the officers now to be warned to hold themselves in readiness, I note that Government approves of Surgeon-Captain Vickers' selection and suggests that Surgeon-Captains Fearnside and Molesworth of the Jail Department and the District Medical and Sanitary Officer of South Arcot should form the other three. As regards the first two officers, Government will observe from the Distribution Statement which accompanied the Government of India letter printed in Confidential G.O. No.685, Public,
