Sir,

I have the honor to address you as representative of a Syndicate of European coffee planters of Coban, who are desirous of introducing about 500 coolies from the Madras Presidency to work for a term of years as labourers on their coffee estates here.

I may inform you, that the reason I have been selected as their representative in this matter is, that I have resided for upwards of 21 years in India, where I was Manager of the Coorg Coffee Company's estates near Mysore, (the largest in Southern India). Also, that during the Famine of 1876, your Government did me the honor to appoint me Relief Officer for Pennaconda in the Bellary District, under Mr John Masters, Collector; a post I held for upwards of 4 years. I have also held large road contracts under the P. W. D. in Coorg, for several lakhs of rupees, employing as many as 1500 labourers at a time. I have thus considerable experience in the treatment
