My dear Silenthorne,

In continuation of my D.O.
of the 28th I am to say that in
addition to the five officers
already mentioned Dr. Reese
Marsden, Hailer and O'Hara
should be warned to be in
readiness for military service.

The Government of India has only asked for eight, but Goub thinks it well that one extra officer should be prepared. Dr. O'Hara would only be required in case any of the others were not available.

Yours Sincerely
(sd) J. L. Price.
