READ the following papers—

From the Surgeon-General with the Government of Madras, No. F 2/141, dated 30th June 1897, submitting for the consideration of Government certain correspondence regarding the payment of 8 annas per diem to hospital Assistants deputed for famine duty in the district of Kurnool.

From the Public Department, No. 1041, dated 4th August 1897 enquiring whether the presumption, that the travelling allowances paid to certain hospital Assistants for journeys over 3 miles has been debited to local funds is correct.

From the President, District Board, Kurnool, No. 13, dated 3rd July 1897, requesting to obtain the orders of Government for the grant of a conveyance allowance of 8 annas per diem to each of the three Medical subordinates at Mandyal, Gumbum and Marthapur.

From the Accountant General, No. L.F.D./504, dated 4th August 1897, stating that there is no objection from an account point of view to the conveyance ~~allow~~ allowances in question being sanctioned.

Order No. 1090 L.F.D., dated 2nd September 1897.

The grant of conveyance allowance proposed in the President's letters read above is sanctioned. The payments in both cases should be made from local funds.

Conveyance allowance to Hospital Assistants

FOR ORDERS.

Attention is solicited to the note for orders in G.O.No.706 Pub., d/ 25th June 1897, on the proposal of the S.G. to grant a horse or conveyance allowance to medical subordinates employed on Famine duty in the Bellary district. It will be seen that the Hon'ble Sir Henry Bliss thought that it would be simpler to raise the famine allowance of Rs.10 per mensem sanctioned in G.O.No.217 Finl., d/ 8th March 1897 to Rs.20 whenever the Collr. certifies that it is necessary for a medical subordinate to hire a conveyance in order to perform his daily duties.

2. Two currents are now submitted for orders. In the first (current 2701) the S.G. submits for consideration correspondence regarding the proposal to grant Hospital Assts. deputed to famine duty in the district of Kurnool a conveyance allowance of eight annas ^{for the days they travel} per day and remarks that this allowance is in harmony with the scale sanctioned in G.O.No.708 H, d/ the 5th April 1897. In the second current, 2737, the Board of Rev. forwards a letter from the

the Collector of Bellary recommending the grant of a horse allowance of Rs.15 per mensem to each medical subordinate employed on famine duty with effect from the commencement of his special duty. The Acct. Genl. reports thereon that the horse allowance recommended would require the sanction of the Govt. of India under art:1181 of the C.S.R. He refers to G.O.No.798 H., d/ the 8th April 1897, and also to G.O. No.217, d/ 8th March 1897 with the remark that the allowances sanctioned in neither of these G.O's is of the nature of a travelling allowance. The Rev. dept. transfers the paper to Public with the note in original by H.E. the Governor to the effect that the Acct. General's ruling may be accepted.

It is submitted that the papers may be recorded with the remark that the S.G. should apply the ruling in G.O.No.796, d/ 25th June 1897 to the cases in question.

This letter is dated 8/4/97, and it merely lays before Govt. through an official channel, the same request as was made by the S.G. in his letter d. May 14th disposed of in G.O. no 796 P.H. d 25/6/97. It therefore, it is submitted, requires no orders.

From para 2 of the letter from the President, Dr. Bd, Kurnool, it appears that for long journeys, over 5 miles the H.A. Asst. in question have been drawing £. a x thru the Dept is requested and it is presumed they state whether this allowance has been debited to Local Funds. If so there would seem to be no reason why the cost of the H.As' journeys under five miles should not be ^{met} supplied.

-ance recommended is in
harmony with the scale

India has informed
this Govt that it is not in-
-cumbent on it to abide by
the scale laid down in G.O.

plague duty is concerned
vide also tract flagged.

NOTE FOR THE S.A.

The Ltm Dept seems to have transferred the papers under cover of C no 2701 because the Hospital Assistants, who under the local authorities, are given additional work in connection with famine for which Govt should sanction something extra.
