From the Superintendent of

1. The amount required as guarantee for a Telegraph Office at Kollegal, namely 900/- per annum was decided upon by the Director General of Telegraphs after

after all particulars concerning the expense of constructing the line and opening Office were laid before him. The inhabitants have not now brought forward any new reason for reducing the amount.

2. The estimate of the cost of the line mentioned by the petitioners was not correct, it was given to the Deputy Commissioner irregularly by the Superintendent of Post Offices, who had no authority so far as is known for his estimate, and he was departmentally censured for having given it.

3. It must be taken into consideration that the ^{guarantee} ~~guarantee~~ is meant to cover not only the cost of the maintenance of the Office, but also to allow a fair margin for the expenses of construction and maintenance of the line, and in the present state of Government Finances no risk of loss will be run by this Department.

4. If the inhabitants will give the required guarantee namely 900f. undersigned will address the Director General of Telegraphs regarding the immediate construction of the line.
