From

F. C. Harrison Esquire,

OFFY. ACCOUNTANT-GENERAL TO THE

GOVERNMENT OF MADRAS,

To

THE Chief Secretary to Government,
Public Department.

SIR,

I have the honour to state that certain lands taken up for a Rifle Range for the Southern Mahratta Railways Volunteer Corps at Donakonda were acquired by the Sub Divisional Officer, Ongole under a Public Department Notification, published in the Fort Saint George Gazette, dated 4 February 1896, page 138, Part I and were made over to the Colonel Commanding the Belgaum District. The charge for the land - amounting to Rs 564-10-2 was debited to Public Works Department, Southern Mahratta Railway by the Treasury officer, Mellore in his account for March

March 1897. The Government Examiner of Accounts, Southern
Maharatta Railway, Dhurwar to whom the charge was
advised, reported that the land was required by the
Military Department and not for Railway purposes
and that the cost should be recovered from the officer
commanding the Southern Maharatta Railway Volunteer
Corps at Hubli.

The Controller of Military Accounts, Madras Command
in reply to a reference, states that in the absence of
any order from the Government of India sanctioning
the acquisition of the land, he is unable to accept
the charge.

If the Notification in the Gazette has been published
on the requisition of the Military authorities, the charge
should in the first instance fall on the Military Depart-
ment, under Article 919 Civil Accounts Code. Even if
the charge be recoverable from the Volunteer Corps as
suggested by the Government Examiner of Accounts,
Southern Maharatta Railway the recovery should
apparently be effected by the Military Department
and not by the Civil.

In these circumstances, I beg to enquire whether the
charge should ~~not~~ be debited to the Military
Department by me.

I have the honour to be,
Sir,

your most obedt. servt.,
J. Harrison
offg. Accountant General
