OCTOBER.

Archæological Survey Reports.

Communicating to th Superintendent, Archæological Survey, endorsement of the Govern- of India forwarding copy of letter addressed to the Governments of Bombay and North- Provinces and Oudh on the subject of the numbers to be assigned to — in the Provincial Imperial series.

GOVERNMENT OF MADRAS.

PUBLIC DEPARTMENT.

READ—the following paper:—

From F. G. SLY, Esq., C.S., Under Secretary to the Government of India, Department of Revenue and Agriculture (Archæology and Epigraphy), to the Secretary to the Government of Bombay, the Secretary to the Government of the North-Western Provinces and Oudh, Public Works Department, dated Simla, 27th September 1897, Nos. 2813-14-15—9.

The Government of Madras have brought to notice that, in the table printed in Volume XXIII of the Imperial Series of Archæological Survey Reports (Gujarat Architecture), Dr. Burgess has assigned incorrect numbers to the reports constituting the Provincial Series, Southern India. The mistake, which will be rectified in subsequent lists, was due to Dr. Burgess not having consulted the Superintendent of the Archæological Survey, Madras, as to the correct numbering of the Provincial series. To prevent the recurrence of such errors, I am directed to request that in future the number assigned in the Provincial series to each work may be communicated to each of the officers engaged in preparing these reports and to the Government of India. Meanwhile, the correct numbers in the Provincial series of reports already numbered in the Imperial series should be communicated to each Archæological Surveyor, to Dr. Burgess and to the Government of India.

Endorsement, No. 2815—15-9.

Copy forwarded to the Government of Madras, for information, with reference to the Hon'ble Mr. Price's letter, No. 1130, dated 30th August 1897.
